COMMANDER'S MINUTE

The POST has had a few upgrades to improve the air conditioning and lighting. I wish to thank Finance Officer Dyke Shannon and Sgt@ Arm Jim Middlekauff for installing the new lighting. I also wish to thank the SAL and volunteers who are continuing Vice Commander Dress' breakfast during the last weekend of the month. We all need to support the Post with our time and talents that is why the Post is made up of men and women like you that are willing to keep the doors open. The days are getting longer and hopefully many of you will be able to attend our meetings. We try to limit it to no later than 8:00 P.M. so that you can make it home before dark.

Update on construction around the Post, we have yet to hear of date and time the beginning of construction. I or any other members have not heard from the new owners and as soon as we do we will notify you by newsletter or e-mail. Once construction starts we will have to come up with alternatives for parking but we will make it happen.

Our judge advocate will be conducting another marathon, ½ marathon and 5 K hosted by the POST in November 2017. We will need all members including SAL and Aux to assist to make this another great project to benefit the Post.

Elections are being held next meeting night and if you are willing to place your name in the hat please do so. We have many officers who will assist you so you will not be going it alone. Vice Commander Dress will be stepping down and right now Sgt at Arms Middlekauff has placed his name in the hat for Vice Commander. Vice Commander Dress has set the bar high and we know he will be there to assist. Finance Officer Shannon has asked to step down and has recommended a replacement which he will work with during the next year. Thank you, Dyke, for your guidance and knowledge not only during your tenure as Department of Florida Adjutant but also with the Winter Park Memorial Post 112.

From Jerry's Table

I wish to thank you again for the thoughts and prayers during the past few months. Regretfully, I must turn the job over, however I will be around to assist the new Vice Commander. During my tenure I have received many awards and honors but it is because of you, the Post members, who have and continue to be the reason for me working as hard as I could. Just a few things that I am extremely proud of include the FOUR CHAPLAIN'S services, the youth events from Halloween, Easter egg hunt, Toys for Tots collections, assisting KISS (Kids In Support of Soldiers) program, and being the liaison for the Centurion Battalion USNSCC. My kids who often many call me grandpa Jerry mean the world to me just as each of you.

My calling to check on members at home, being present at the post to assist many with flags for retirement, or wanting to become members has been an honor. Thank you for giving me the best opportunity to assist you and the POST. The ability to attend an HONOR FLIGHT allowed me the opportunity to see sights that reminded me of my time serving our Country and thank you for allowing Commander Dover assist me in this adventure.

Last but not least I want each member to hear this - IF YOU HAVE NOT GONE TO THE VA AND ASKED FOR ASSISTANCE PLEASE DO IT NOW! I have finally gone and had nothing but a positive experience. Please keep me in your thoughts and prayers as each day is a great day to be an American and a member of the great organization AMERICAN LEGION.

For GOD and COUNTRY,
Gerald T. Dress, Vice Commander.

The Chaplain's Prayers : Billy Dover

We have just celebrated the reason Christian's know that there is life after death. Please read the versus from the Old Testament: Psalms 118: 8-24

It is better to take refuge in the LORD than to trust in people. It is better to take refuge in the LORD than to trust in princes. Though hostile nations surrounded me, I destroyed them all with the authority of the LORD. Yes, they surrounded and attacked me, but I destroyed them all with the authority of the LORD. They swarmed around me like bees; they blazed against me like a crackling fire. But I destroyed them all with the authority of the LORD. My enemies did their best to kill me, but the LORD rescued me. The LORD is my strength and my song; he has given me victory. Songs of joy and victory are sung in the camp of the godly. The strong right arm of the LORD has done glorious things! The strong right arm of the LORD is raised in triumph. The strong right arm of the LORD has done glorious things I will not die; instead, I will live to tell what the LORD has done. The LORD has punished me severely, but he did not let me die. Open for me the gates where the righteous enter, and I will go in and thank the LORD. These gates lead to the presence of the LORD, and the godly enter there. I thank you for answering my prayer and giving me victory! The stone that the builders rejected has now become the cornerstone. This is the LORD's doing, and it is wonderful to see. This is the day the LORD has made. We will rejoice and be glad in it.

Just as we were willing to give our life to save another comrade during time of war, God gave his only SON to save us from our sins.

Prayer: God grant us the ability to know the truth and trust in you to allow your Holy Spirit to guide us each moment of each day. We pray for our comrades who are hurting mentally, physically and emotionally as well as their loved ones. Please place your guiding hand on each of us and those who are serving us at home and abroad. Be with our Nation and our leaders that they may follow your direction. AMEN

Notes From the Adjutant's Desk

The 6th District Constitutional meeting will be held at Post 80 in St. Cloud on Saturday, May 6th, at 9 a.m. and it is open to all 2017 Legion members in the 6th District. This meeting elects the District Commander and Area Commander for the coming year. This is the first step toward the Convention. See the article below about the convention for more information.

Billy has mentioned the work being done at the Post over the last few weeks. We all want to offer a HUGE THANK YOU to Jim Middlekauff, Charles Coleman, and Dyke Shannon for all of the work that they have done around and inside the building. In case you haven't notice, the light fixtures in the pavilion and inside the meeting hall have been upgraded to LED. This will save the

Post money in the power bill and brighten things up quite a bit.

Don't forget that both the Executive Board and the General meetings are available online and on the phone if you want to attend but can't make it here. Contact me before the meeting to let me know that I need to set up the bridge. And, remember that the call in number is NOT LOCAL so you MUST use a cell phone or internet phone to call without a charge. If you use your "home" phone, unless it has "Free Long Distance" you could be in for a bit of a shock in your next phone bill.

It's "End of Year" report time so I am busy working on telling Department what we have done for the year.

Our Happenin' Auxiliary—Nell Colbert

Our Unit has been busy over the last couple of months and the next two months will be busy too.

In March we were thrilled to deliver \$350 worth of food items to Eastbrook Elementary for their food pantry that helps to supplement the evening meal needs of the families of students in need.

This food pantry is self funded and relies on donations from community organizations to help.

Since this is an on-going project, we need items like Macaroni and Cheese dinners, peanut butter, canned tuna, pasta sauce in plastic jars, and spaghetti, along with canned fruits and vegetables. Please add some extra items to your grocery list each week and drop off your donations whenever you come to the

Post.

We also received a request from Aloma Elementary for 100 headsets for their second grade class so that each student has their own set. Our membership voted to fund the headset project and we were honored to be able to deliver the headsets to the school.

Our nominating committee met during our April meeting and we are in the process of confirming that our nominees will accept the positions for which they are nominated. We will accept additional nominations from the floor for next year's officers at our May meeting. If you would like to serve as an officer next year, please contact Nell as soon as

possible. Please remember that your dues for 2017 must be paid current in order to run for office. Our elections will be held during our June meeting with our installations tentatively scheduled for our July meeting.

Coming in May, our Unit will be presenting Americanism Essay medals and Scholastic Achievement medals to 5th grade students at Aloma, Cheney, and Eastbrook Elementary schools. If you are interested in participating in these presentations, please let Nell know ASAP. The dates for the presentations are as follows:

- 5/23—Eastbrook
- 5/26—Aloma
- 5/31—Cheney

All presentations begin at 9am.

As always, we welcome new ladies who would like to actively support our military, our youth and our community through our community service projects. To become involved, please call us at 321.578.8612.

CENTURION BATTALION

Your Centurion Battalion USNSCC will be completing another drill season the first weekend of May and summer trainings begin. We invite YOU to attend our end of the year ceremony and honoring the outstanding cadets including our seven seniors. Four of the seniors have risen to the rank of Chief Petty Officer and two are preparing to serve, one in the US Marines and one in the US Navy. The rest are planning on attending college along with working toward joining the ROTC program at their respective colleges.

This past drill we had our family fun day and fundraiser of a cyber 5K on the beach at Jetty Park. The unit is strong and getting stronger thanks to the generosity of the Winter Park Me-

morial Post 112. This next year we will be adding outside activities, a shooting team, to complement the cyber patriot team. The opportunities to grow and maintaining the conditions of HONOR, COURAGE and COMMITMENT just as the US Navy, US Coast Guard and the United States Sea Cadets Corps is a must.

We are proud of all our cadets and we currently have previous cadets as members of the US Marines, US Navy, US Army serving all over the country and on foreign shores. Please keep them in your thoughts and prayers along with current members of the unit.

Please join us on MAY 07, 2017 at 2:00 P.M., First Baptist Church Winter Park, 1021 New York Avenue, Winter Park, Florida 32789.

Very Respectfully,
Centurion Battalion USNSCC

Service Officer Update—Jim Middlekauff

Starting this month, we will run a Service Officer “note” of interest for our bulletin. Many of us Veterans are entitled to benefits, but perhaps have not filed a claim not knowing how, what is needed, what forms to fill out, etc. and that is why I am here at the Post to assist with this. I go through an annual two-day training session to ensure I know the latest and greatest from the VA. The VA has established one new form called a 10-10EZ form that can be done on-line or mailed in and I can assist with this. I also have access to Florida Veterans Benefits, phone numbers for further assistance; however, I do NOT have access to a Veterans medical records, military records or VA records but can assist with direction to obtain any necessary information needed.

Also, as the Post Service Officer I have assisted two Veterans with financial assistance through district (the Post does not provide monetary assistance). Project VETRELIEF provides support for active duty, Veterans and families in Florida for a one-time offset fund to help with shelter, food, medical expenses or transportation. Funding is awarded on a case-by-case basis and the Veteran must have an Honorable Discharge, but not required to be an American Legion Member. Contact Jennifer Cooper @407/270-9209 or visit www.PROJECTVetRelief.org for further information.

Thank you.
Jim Middlekauff

Fleet Reserve Association

Greetings fellow American Legion members. I am the current President of the Delbert D. Black (The Navy's First MCPON) Branch 117 of the Fleet Reserve Association (FRA).

The purpose of the Fleet Reserve Association is to further the good fellowship and camaraderie established among our shipmates who have served or are now serving, lobbying congress for benefits and pay tribute to those who gave the supreme sacrifice. The FRA is a congressionally chartered, non-profit organization that represents the interests of the Sea Service community before the U.S. Congress. The Association is named after the Navy's program for personnel transferring to the Fleet Reserve or Fleet Marine Corps Reserve after 20 or more years of active duty, but less than 30 years for retirement purposes and its membership is comprised of current and former enlisted members of the U.S. Navy, Marine Corps, and Coast Guard.

The Association was founded by Navy Chief Yeoman George

L. Carlin, chartered in 1924 in Philadelphia, Pennsylvania and has 291 branches in the United States. FRA was born out of the need for an organization to protect the pay and benefits of enlisted Sea Service members and their families on Capitol Hill. FRA also assists its members with career problems by maintaining close liaison with the Departments of Defense, Veterans Affairs, Homeland Security, and other government agencies.

The FRA enjoys the prestige of being the strongest, oldest and largest professional military association representing the Navy, Marine Corps and Coast Guard personnel. Branch 117 was chartered in July 1948 here in the Orlando, Florida area and is incorporated with the State of Florida. The Branch is governed and organized with membership approved by-laws and standing rules. Branch elected officers are the President, Vice President, Secretary and the Treasurer. The Board of Directors is a group of shipmates appointed by the President.

It would be our pleasure to welcome you, attend our meetings, which are held at 0930 the 3rd Saturday of each month at the American Legion Post 112, 4490 North Goldenrod Rd, Winter Park, Florida and become actively involved. The Branch also attends ceremonies for Memorial Day and Veteran's Day. We are represented in the Orlando Veteran's Day Parade each year for many years. We also have a complimentary Holiday Party dinner each December for current members and allow one guest. A Two Bell Ceremony is held during the May and November meetings to honor Branch 117's deceased members.

Again it is my pleasure to serve Branch 117 and serve with you as a fellow shipmate of this superb association. In Loyalty, Protection and Service,

JAMES L. MIDDLEKAUFF
MMCS (SS), USN, (Ret)
President FRA Branch 117;
2004 – 2009, 2013 -

Son's of the of the Legion: Bob Colbert

At our last meeting (April), we chose the "slate" for the 2017-2018 Officers for the Squadron.

Our 2017-2018 "slate" of Officers for the Squadron consist of:
Commander nominee - Charles Coleman
Vice Commander nominee - James Carten
Adjutant - Bob Colbert
Chaplain - Billy Dover, Jr.

We are in need of a "Historian" and a "Sgt at Arms." The plus side is that these are rather easy positions but the minus side is that these people have to be able to attend the meetings in person. Online attendance is available but it is a little difficult for these two positions to do their jobs without being at the meeting. Hopefully we will also need a Finance Officer in the near future. Even though our funds are funneled through the

Post's account, they are held within the accounting system as Squadron funds. Once we have a better level of activity, we will need someone to be able to report to the Squadron on income and expenses.

The slate is done, and unless there are nominations from the "floor" in May, we will hold the election at the upcoming May meeting. If there are any nominations from the "floor", then the election will be held in June with the "amended ballot."

In the 2016-2017 year, we were able to add two new members who are both local, active AND not "dual" members with the Post! This is important as it gives the Squadron a better identity and the ability to become more visible and active.

On another note, our Charles Coleman has been instrumental in keeping the monthly Pancake Breakfasts going in the absence of Gerry Dress. He has also helped with Post improvements including the renovations inside the meeting hall. Thank you, Charles, for all of your help!

At this time, we are planning the "Early Bird Post Family Picnic" for Saturday, September 16th. This is an annual event that it "put on" by the Squadron. The picnic is open to the entire

Post Family and all members who have paid their 2018 dues up to and including the date of the picnic can "eat free!" This is a membership drive as opposed to a fund raiser and we are looking forward to all of the Post Family and their families attending. The cost for the family members is nominal, so I promise that it will be less than McDonalds and MUCH MORE FUN.

The 2018 Detachment Convention is coming up on the 30th of June and the 1st of July. This is where the Detachment Officers are elected by the Squadrons. The agenda is located at: http://www.floridalegion.org/sons/administration/meetings/conv_agenda.pdf and can be downloaded. There is NO CHARGE to attend the convention and all Squadron members are encouraged to attend. There is a \$5/day parking fee that is paid as you leave each day. And, attending will give you a better idea of what the Sons of the American Legion can do on a large scale as well as giving you the contacts to answer questions.

Don't forget that we have access to the conference bridge for meeting attendance when you are not in a position to attend in person. Contact me for details at bcolbert@usa.net if you need to call in.

COMMANDER'S MINUTE cont'd from Page 1

Continued from Page 1

With new administration in any organization there are changes and we must be willing to work within the guidelines and constitution to make sure we are staying true to the FOUR PILLARS of the American Legion. We need to support the United States of America and all the elected officials who are making decisions which not only affect you but also those of all veterans. We need to also be vocal during their tenure to ensure that they know ALL veterans, have earned the right to be served health care. Service Officers of the post are here to get you started in the right direction and you need to start by asking for assistance. If we do not know then we will make sure that you know who can assist you.

Past Commander Ted Costello, who serves as the Boy's State

representative for the Post and your due diligence in this program. You have once again gone above and beyond by making sure all our candidates will be attending the summer program. Today at church, I met with a young college man, who attended from the Oviedo Post and now serves as a counselor in which he states he learns something new each time. This is what you call passing it on and the old term you learn, you do and you teach.

Memorial Day service will be at the Post once again please look for more information from Jim Middlekauff because the time will change to allow our members to attend their church services. I wish to thank SAL member Charles Coleman who was once a recipient of the School Awards certificate and metal a few years back. He has now continued to

assist the post with keeping the Post Breakfast open and running.

I have been given the dates and time for all but two schools awards as of this writing. We have almost 20 presentations to accomplish between Elementary, Middle, High School ROTC and College ROTC programs. If you can volunteer on the Tuesday, MAY 30, 2017, please contact me. That is the day that most Orange County Elementary Schools have their program beginning at 9:00 A.M. If I do not get assistance then I will be having to take them to the schools and the teachers hand it out. It needs to be accomplished by a member of the POST so that the children, parents and teachers see the a true hero.

GOD bless each of you.
FOR GOD and COUNTRY,
Billy Dover Jr., Commander.

Boys State—Ted Costello

I am pleased to announce that I have been able to secure delegate positions for our two alternates. Post 275 in Dunedin did not have delegates so our boys will be able to attend Boys State this year. I have also contacted our 6th District Chairman and secured seats on the bus for our two boys so they won't have to find transportation to and from Tallahassee. For those that are interested, the Boys State Orientation will take place on Saturday May 20th, 2017 at Post 286 in Pinecastle. The Post is located at 529 Fairlane Avenue, Orlando, FL 32809 (the corner of Orange Avenue and Oakridge Road). Orientation will start at 10 AM and last for approximately two hours.

Veterans Education & Employment Committee

Squadron 112 in Winter Park Florida has established their Veterans Education & Employment Committee to help veterans with Education and Employment.

The effort was spearheaded by Charles Coleman in collaboration with Christian Help, Inc. Christian Help is a faith based non-profit organization with more than 25 years of experience helping people find employment and resolve challenges associated with un-employment.

Christian Help has provided Squadron 112 with a link to their Central Florida Employment Council division. The website address is www.cfec.org/job-fairs. CFEC organizes and hosts 6 major job fairs annually in Orlando Florida at the Central Florid Fair Grounds.

Coleman says, "I have reviewed the site and found it to be a comprehensive source to help Veterans with employment and education. Resources included are: job loss support group, employment counseling, interviewing skills, resume writing, and much more".

Also, the collaboration will help identify Veterans who need help in signing up for their VA benefits. Coleman will be collecting the data and the information will be passed on to our Post Service Officers.
