After the installation of officers, Commander Dover thanked all for attending and let Post 409 know that they are welcome to hold their meetings at our Post on another night, for as long as they don't have a Post Home.

The Post received an award for our newsletter at Convention and Nell Colbert, Newsletter Editor, presented it to the Post.

Sick Call - Please keep in mind all of the service personnel and their families in your prayers, especially those who perished in the recent plane crash.

Service Officer - The VA is still looking for volunteers to help at both Lake Nona and Lake Baldwin.

Boys State went off without a hitch and they will be presenting their comments at the August meeting.

Old Business:

There is no news on the construction behind the Post at this time.

The meeting was adjourned at 7:50 p.m.
