COMMANDER'S MINUTE

We wish you **HAPPY NEW YEAR** from the Post to each of you and your family. This year we are excited with the changes coming to our area. We have a new administration coming into Washington and it is our hope they will provide protection for our Service members, their families and the Veterans. Only time will tell if improvements will occur but we must be positive and be active. The American Legion continues to provide data and testimony for the House and Senate meeting, but we need to stay alert and contact our representatives to push our issues.

The Orlando Marathon was a success and our Post and event proved to be a success. Comments on the Auxiliary Website were nothing but positive. Thank you, Judge Advocate Paulson for taking the lead on this. I am sure we will do it better next year.

I cannot thank the staff for their support during my tenure as Commanding Officer. This has been a pleasure to serve you these past three years. I am looking forward to a break and spending time with my wife and family. While I will give up the Commander's position I will still remain active in assisting the post weekly. To Vice Commander Dress your dedication to the Post, the veterans and our visitors has you have gone above and beyond the requirements. To the Adjutant, thank you for keeping me on an even keel. Our support staff works to make our POST the best by their experience and knowledge with the American Legion and Veteran's Affairs.

As I write this newsletter article I am doing so with a sad heart. Just as I wrote in the last article suicides have not reduced. A fellow firefighter, one of my previous students took his life this month. **Please if you are having troubles seek help from the website:**

From Jerry's Table

We are closing the OLD YEAR 2016 with a Pancake Breakfast and the VA Nursing home members will be our guest. We originally cancelled the 31st breakfast but the VA Nursing home members ask if we would do it so come and break bread with these veterans as we celebrate the end of a great year. Thank you for your help with the many projects we have had this past year. We still have a lot to do but with your support and help we can make our little POST the best in the Department.

As you can see on the calendar we are once again honoring the FOUR CHAPLAIN's on the 5th of February, 2017. With the expansion of the patio everyone should be able to sit out of the sun and enjoy our service to honor these who gave it all. Our goal is to continue to support all four pillars of the American Legion. This includes the Boy's State applicants which will be doing their presentations for acceptance during the Feb. General Membership meeting.

Have YOU Paid Your 2017 Dues Yet?

Continued from Page 1

I am truly thankful for my children who contacted me to make sure I am alright.

As you may have observed the area behind the Post is being torn down to allow the building of 320 apartment units. This maybe a potential of up to 100 new members and we need to open our doors to welcome the new neighbors. Due to the parking situation we are working on a plan to change the parking at the post so one we begin we will make sure you are aware of the changes before they occur.

Last but not least sympathy goes out to Auxiliary President, Marge Berrios, and her family on the loss of her husband, Past Post 243 Commander, Louis Berrios. Thank you to Vice Cmdr. Dress, Adjutant Colbert for your participation in the service. To other members who attended thank you.

FOR GOD AND COUNTRY,
Billy Dover Jr., Commander

Notes From the Adjutant's Desk

First off, let me wish everyone reading this article a JOYOUS HOLIDAY SEASON! Many of us have celebrated in snow in past years and have given up on the "shoveling scene" that this time of year brought to us. I, for one, don't miss it at all! I love being here in Florida with friends and family and able to "bask in the sun!" I truly hope that this year has been a good one for you and that 2017 will be even better.

If you missed it, we had a good turnout this year at the Christmas Dinner at Perkins! We had 14 people in attendance this year and I am proud to be associated with such fine veterans and their families!

This year leaves us with some changes at the Post and the area.

- The Vaughn Property has been sold and will be developed into apartment housing over the next year or two. At this time, we are not certain how this will impact the Post and we are hoping for the best.
- We expanded the pavilion's hard surface and roof covering to allow for more people to attend our outdoor functions.
- We had insulation blown into the attic space to reduce the cost of heating and air conditioning costs.
- We replaced our 20-year-old air conditioning with a new, state of the art, heat pump. We increased the size of the system, again, in hopes of reducing our environmental costs. We also got a small rebate from the power company for these improvements. Hopefully we will begin to see the fruits of our labors as the new year comes in.

Activity-wise, we hosted our first ever Marathon. It was a success and brought money in for the Post as well as the Sea Cadets. Commander Dover and Judge Advocate Paulson have participated in marathons and were able to provide the guidance needed to make this a success for a first attempt. We will discuss doing this again next year in future months. We had 5K, half and

full marathon runners and everyone was done before 2 p.m. so it made for an interesting morning for the runners and the workers. Want to have some FUN? Why not volunteer to help out next year? We'll keep you posted on the progress.

We hosted the "Four Chaplains Ceremony" again this year and it was one of the finest in the District. Jerry is already working hard on the 2017 event to make it the best one yet!

We had two Craft and Yard sales during the year. The one in the Spring didn't do all that well as the weather and the general feelings about the economy put a damper on it. The Fall Craft and Yard Sale did much better even though we didn't have as many vendors/sellers as we would have liked. The weather was beautiful and you could see that everyone was in good spirits.

We again partnered with our Auxiliary Unit to deliver food baskets to Veteran families in need in the Winter Park/Goldenrod area. And this year, our Sons of the Legion Squadron joined the fun. The Auxiliary members procured the necessary baskets and shopped for the food that went in the baskets; the Auxiliary, S.A.L., and Legion representatives then made the deliveries just before the Christmas holiday. This is a great example of our Legion family working together to support local Veteran families! I would urge you to support the Auxiliary and Sons projects throughout 2017 as they are announced as *we are a family* and family supports family.

Two events that didn't happen this year would have been back to back and they were the Legion Family Picnic and the "Boy Scout Jamboree on the Air." Both were impacted by Hurricane Matthew. We had planned them but had to cancel them in lieu of the hurricane as a safety precaution.

Our Happenin' Auxiliary—Nell Colbert

We do hope that everyone had a very Merry Christmas.

It is with great sadness that we announce the passing of Lou Berrios, President Marge's husband. Lou passed at Thanksgiving and was interred in New Jersey.

Since our last newsletter, your Unit has been pretty busy.

- Debi Shannon, Thelma Smith, and Nell Colbert represented our Unit at the Department of Florida Fall Conference and brought back lots of good information to help us with our programs.
- As we do each year, our Unit delivered goodie baskets to Aloma, Cheney, and Eastbrook Elementary Schools in recognition of National Education Week. The teachers and staff enjoyed muffins, bagels and cream cheese, and assorted fruits.
- Nell, Thelma, and Debi supported the Orlando Marathon hosted by our Post.
- And in December, Nell and Marge shopped for our Veteran holiday gift basket project. The Post funded one of the baskets and the Auxiliary funded the others through donations we've received during our Poppy drives. This year, this became a full Legion family project as we enlisted S.A.L. members to

assist with the basket delivery.

Beginning in January, we will begin con-

tacting our high schools about Girls State. Our interviews will be held at the end of February.

In January, our Unit will shop for and deliver school supplies and food items to our elementary schools to support their pantries that support low income and homeless families. Please pick up some school supplies like notebook paper, Duotang folders, crayons, pens, and pencils and drop them off at the Post whenever you come. The

schools also have food pantries that help to supplement the evening meal needs of the students. We need items like Macaroni and cheese dinners, peanut butter, jelly, canned tuna, etc. A new project that we will be starting in January is a clothing project for the elementary schools. The children from low income families often come to school without socks, or, when accidents occur during the school day, have no clean underwear into which they can change. We are collecting youth sized socks, girls and boys underwear, etc. Please support our new project and drop off your donations at the Post.

As always, we welcome new ladies who would like to actively support our military, our youth and our community through our community service projects. To become involved, please call us at 321.578.8612.

Check out our Facebook page at: <https://www.facebook.com/ALA112FL> or our website at: www.AmLegionAux112FL.com to see what we've been doing.

Sea Cadet Update: Billy Dover

CENTURION BATTALION

Happy New Year to the best supporters a youth organization could ask for. The battalion assisted with the SEAL Muster at the UDT/SEAL Museum in Ft. Pierce. We then marched in the Winter Park Christmas Parade which was the only youth service oriented group in the parade. Some of the cadets will be attending Winter Trainings over the Christmas break to complete the task needed to rank up. The unit color guard has completed 6 presentations during the past three months and preparing to assist the Post in the Four Chaplain's service in February.

As we complete our fourteenth year at the Winter Park Memorial Post we have once again changed command this past drill. LTJG Billy G.

Dover Jr. has turned the command over to LTJG Doug Evans a past US Marine and law enforcement officer. LT Dover has moved to the executive officer position and will assist the new Commanding Officer for a year. LT Dover will eventually transfer to the regional staff for "NSWOC" Naval Special Warfare Orientation Course as the Medical Officer.

Why change of command because it brings in new blood to keep the unit moving forward with fresh ideas and ways of doing things. We have also sent off another officer LTJG Schindele to be the Commanding Officer of the newest unit in Clermont. The battalion is strong and continues to grow thanks to the support we receive from you.

Very Respectfully,
LTJG Billy Dover, Jr., NSCC
Executive Officer
Centurion Battalion USNSCC

From the Adjutant's Desk—Cont'd from Page 3

Continued from Page 3

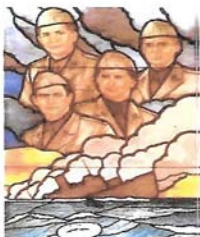

In 2017, we are looking forward to repeating the two Craft and Yard Sales, along with a superb tribute to The Four Chaplains. We will have something planned for each of the patriotic holidays throughout the year. We will try again for the Legion Family Picnic in October as well as the Boy Scout Jamboree on the Air that also falls in October. The Legion Family Picnic is the "Early Bird" event that is held for the Legion Family - Legionnaires, Sons and Auxiliary – who pay their dues early. Members who have paid their 2018 dues by the date of the picnic can eat for free. Everyone else will pay a minimal fee for the food and drink. The Boy Scout Jamboree on the Air is done with the cooperation of the Lake Monroe Amateur Radio Club and they will set up radio stations in the yard to give the Scouts an opportunity to talk to other Scouts around the country and around the world. Watch the newsletter or the WEB page for more details as the events draw closer.

Of course, my article wouldn't be complete without a couple of reminders.

- 2017 Dues should have already been paid! On January 1st, 2017, they are technically delinquent.
- Check the Post's WEB page at <http://www.wpflpost112.org> for information between the newsletters AND to get copies of them.
- Members who are not able to get to the Post for ANY meeting can ask that we turn on the Conference Bridge so that they may participate by phone or computer.
- We have WiFi available to members at the Post for no charge. If you want to use the WiFi, check with one of the officers for the password.

Son's of the Legion: Bob Colbert

HAPPY NEW YEAR!!! We are off to a WONDERFUL start for the year! Why not get your son involved if he is in the area? Even if he isn't in the area, it would be a great idea to get him a membership, ESPECIALLY if he isn't eligible to join the Legion due to a lack of military service!

The December Sixth District Meeting was the first time in a long time where we had a representative from all three parts of our Legion Family present! We usually have had a member of the Post and one from Auxiliary present but this time, we had a member of the Sons present as well! Thank you, Charles Cole-

man, for taking time out of your Saturday to come with us to Mount Dora's Post 35 to attend on behalf of our Squadron!

Even though we had to cancel the "Family Picnic" this year, the Squadron had a busy year. Charles represented us at the Department's Fall Conference, where he was thrown into the "Deep end of the pool." Since the Son's only met on Saturday, I had Friday to "warm up" the room for Charles with some of the "Dual" members that were at the Legion side of the conference. From what Charles tells me, he was treated like "family" when he got there and was able to learn quite a bit about the Sons of the American Legion programs

and get some ideas about what our Squadron could get involved in.

In addition to the Fall Conference, Charles attended the Sixth District Meeting in Mount Dora for a little bit more focused view of what the Sons is doing in the metro Orlando area.

Finally, for the last event of the year, the Squadron assisted in the "Family's" delivering of food baskets to three veteran families that were identified by the Department of Florida as deserving families.

I am happy to say that our Son's Squadron is beginning to establish itself in the Post's Legion family.

The Son's of the Legion Chaplain's Thoughts

Hebrews 10:23 -25 Let us hold fast the confession of *our* hope without wavering, for He who promised *is* faithful. And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as *is* the manner of some, but exhorting *one another*, and so much the more as you see the Day approaching.

God has promised us he would never forsake us but we need to share love and good will towards our fellow man. We must exhort one another instead of trying to break down each other. Keep the faith and look for the good in each person and we must be merciful to our fellow man.

Each day we need to pray that God will open up the doors for us to share his love. The opportunities you have are numerous and all we have to do is look for those opportunities to serve.

Prayer:

God grant us the ability to take self out of the way and that we may serve others just as you gave your son to save us. Please bring comfort to those dealing with mental and/or physical illness, be with our service members and their families. Protect our great nation and those who represent us in their decision making efforts. We pray for comfort for our veterans and their families. AMEN

Orlando Marathon—Neil Paulson

On November 12, 2016, Post 112 of Winter Park was the gracious host to the 5th Annual Orlando Marathon, Half Marathon and 5K. Over 125 runners from across the State of Florida converged to test their speed and endurance.

The Post held a brief memorial service to remember our Veterans. Commander Dover spoke about the oath of enlistment, and what it meant to our veterans who committed to put their life on the line for their country.

Our Sea Cadets color guard presented the US Flag and a local barber shop quartet, "Makeshift" sang the National Anthem.

Soon, with Nell Colbert's air horn blast the runners were off! Some fast, some slow and steady, some ran for 30 minutes in the 5K and others for 26.2 miles up and down Cady Way Trail.

The runners' families waited and watched as each runner crossed the finish line; young Sea Cadets joined the runners in their final burst to the finish line.

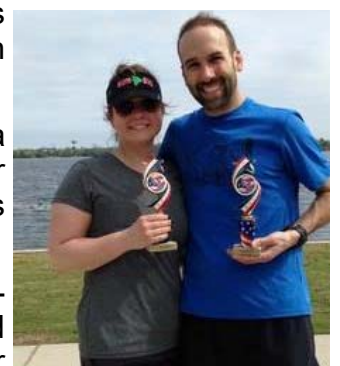

Adjutant Bob Colbert awarded each finisher with a "Winners Trophy" for finishing their course. Afterwards Jerry Dress cooked pancakes for the runners and their family.

The families relaxed in our front yard. First Christian Church of South Seminole County provided snacks and Einstein Bagels provided free bagels for all.

This event was a great opportunity for runners and their families to be presented with a Veterans Day experience and share time with their family.

Boys State—Ted Costello

At the Mid Winter Conference held in November at Hilton Disney I attended a Boys State briefing and the chairman went over all the details of Boys State to include; housing, meals and venues to substantiate the high-cost of sending the boys to Tallahassee. I did inform our finance officer Dyke Shannon that the payment of the boys was due to department headquarters by December 23, 2016. We are sending three boys this year so this is one of our large expenditures for the year, but well worth the investment in our youth. Once again I remind you that the selection process will take place on Tuesday February 14, 2017 at 7:00 PM. Put this on your calendars to attend and support our youth.

Ted Costello, Boys State Chairman
Winter Park Memorial Post 112

Westminster Towers Distinguished Service Award

The Westminster Communities of Florida wish to honor and thank those who have served! The Distinguished Service Award is designed to recognize those retired persons, or their surviving spouse, who have undertaken significant community service as a Minister, Fireman, Policeman, Teacher or **any branch of our Military, for a minimum of 10 years**. This award will provide a special financial incentive of up to 10% off the Entrance Fee. Incoming residents must be at least 62 years of age.

Westminster Towers of Orlando is a Continuing Care Retirement Community, featuring independent living, assisted living, skilled nursing and rapid rehab. Our 19 story Tower offers 191 independent living apartments (studio to 2 bedrooms), 45 assisted living apartments (studio and one bedroom) and 120 beds in the health center. Westminster Communities of Florida offers active living with an emphasis on wellbeing and lifelong learning. We take care of the maintenance, inside and out, while you enjoy the many amenities!

Our entrance fee residents enjoy the peace of mind of knowing they have access to future care needs, and a reduction of rates for healthcare services. Furthermore, our Entrance Fee provides financial security for a resident who has outlived their resources. Call us today at 407-992-5412!

Service Officer Update—Ted Costello

The DAV is looking for volunteers to drive their vans to pick up disabled veterans and take them to and from their appointments at either Lake Baldwin or Lake Nona campuses. All that is needed to apply is a valid Florida drivers license and current insurance. If interested, please call: Jewel at; 407-646-5500 X28040 or Volunteer Services at X29724. Thanks

I also wish to thanks Jim Middlekauff and Billy Dover for their help in assisting needy veterans. This is what we are all about as an organization.

Ted Costello, Post Service Officer

Happy Birthday to YOU!

*Happy Birthday to YOU!
Happy Birthday to you!
Happy Birthday dear _____.
Happy Birthday to YOU!*

Last month, we had a minor glitch and some of our December birthday's were missed. We apologize for the error and wanted to wish the following members belated birthday wishes:
