COMMANDER'S MINUTE

Happy New Year to all Legion family members of Winter Park Memorial Post 112, and 2018 is going to be a great year for our Post. We had a great gathering of members for our Christmas Party dinner at Perkin's in December. There were many members and visitors present and a good time by all.

A look back at 2017 and we find that we have lost many members of our great Post in both the Legion and Auxiliary but we have also gained new members. Of those members, who are now in God's comforting hands, we lost Past Commander John McCormick and the First Commander of our Sons of the American Legion Jimmy Thornton. There were others but these two put forth time and effort to make our organizations the best it can be.

Another event that has started to evolve is the appearance of our Post and the surrounding property. A HUGE thank you to Vice Commander Middlekauff for taking the lead in changing the lights, working with getting the post ship shape. Members of the Post please be aware that we are installing new security cameras around our Post as well as a new LED sign.

I cannot thank you enough, Vice Commander Dress, for all your encouragement and guidance with your wealth of knowledge about the American Legion as well as your diligent efforts in conducting the FOUR CHAPLAIN's program. We will never be able to repay Finance Officer Shannon, for all your guidance in maintaining the books and keeping the books in the black, as well as guiding Past Commander Kuhn as our new Finance Officer. Past Commander and Service Officer Ted Costello, words are too few to express what you have meant to our Post, and a lot of members do not remember when you and others paid out of your pockets to keep our Post open.

SAL under the new leadership by Charles Coleman has increased in members and continuing to excel in putting on the monthly Post Pancake Breakfast. Vice Commander Dress of the AL visited the CLC in December to give them a Christmas puzzle for the recreational room. The photo is VC Dress and Natalie who makes sure we have the residents of the CLC make it to the Post Breakfast every month. Commander Coleman has also started working on having fund raisers for Project Vet Relief as well as other fund raisers **Cont'd on Page 9**

From Gerry's Table—Gerry Dress

I wish to thank you all for the Christmas cards and well wishes, as well as I wish each of you a GREAT HAPPY 2018. Thank you, SAL and your volunteers for keeping the Post Breakfast going, which was a pet project of mine to support those in the CLC Nursing Home.

Natalie and I have worked together to make sure these veterans get a chance to "break out" for a morning to enjoy a breakfast of pancakes, eggs and just a visit to the Post.

I am preparing for the FOUR CHAPLAIN's ceremony on Feb. 3, 2018 in which we will have the Centurion Battalion USNSCC on hand to assist as well as SAL, FRA and other groups. Parking will be a premium so please arrive early and we may have to assist with relocated parking. I am truly proud of the Post for their efforts in making sure this event goes off without a hitch.

May God bless each of you this year and make it the best year of our lives.

For GOD and COUNTRY,
Gerald "Jerry" Dress

From Jim's Korner—Jim Middlekauff

Greetings fellow Post 112 members. I hope that everyone had a Merry Christmas and were able to have family time together. I also send best wishes for the New Year. I feel the Post is on an up-swing with events and thanks to the Sgt. at Arms, Russ Kraeger and his support we have again made more improvements to the aesthetics of the Post and is very noticeable. I cannot by-pass the President of the SAL, Charles Coleman for all his efforts to assist and completely take-over the pancake breakfast where we continue to support the Veterans from Lake Nona CLC. There is still plenty of upgrades that can be accomplished, so if you have some spare time to help out I would greatly appreciate it. Our next most honorable ceremony is the Four Chaplains ceremony in February (3rd) which is near and dear to 1st Vice, Jerry Dress so come out and support your Post.

Thank you. Jim Middlekauff, Second Vice Commander

♥ Happy Valentines Day ♥

Notes From the Adjutant's Desk

First of all, HAPPY NEW YEAR to one and all!

As we begin a new year, there are a lot of changes coming to the Post.

If you haven't been to the Post lately, the roadway is slightly torn up with the construction of the apartments behind the Post. This is going to be a slight challenge for the foreseeable future, but when it is done, the road will be wider and we will have new parking arrangements for our members.

Our new Post sign with the electronic display will be installed soon; we have contracted with the sign maker to have it done. This will give us more visibility on Goldenrod Road and we will be able to better keep the public (and members) informed of our activities. Inside the Post and in the pavilion, the lights have been replaced with brighter LED lights. New blinds for the windows have been installed and that both makes the room a little brighter in the daytime and allows us to open and close them at will. We are also improving the building and property security by adding cameras both inside and outside the building. They will be connected to the alarm system and the Commander and I will be able to view them remotely if needed. Some special thanks goes to our 2nd Vice Commander, Jim Middlekauff, for all of the improvements in and around the Post! Way to go, Jim!

Our 2nd 5k Marathon is history! It was a success and brought in more money than last year for a couple of reasons. First, the Marathon didn't spend money on Facebook advertising as it did nothing for them last year. And, we had a much better turnout than last year! It seems that the participants from 2016 spread the word and really liked the venue. One of the participants actually flew in from Japan that morning to run. Thanks to our Judge Advocate, Neil Paulson, for a great job. We truly hope that you will be able to help us again next year for the "Third Annual" event.

Elsewhere in the newsletter is information about our annual Four Chaplain's Service. It will be held on FEB 3, 2018 at 2 PM, and promises to be another outstanding ceremony. Gerry Dress is heading up this committee as he has done for the past years and we are on target for a great event.

Did we miss your birthday in our list of "Congratulations?" If we did, it is because your birthday is not in our records for some reason. Please send your birthday to the Adjutant either by email or regular mail to the Post.

How about email? Are you getting the newsletter by EMAIL or regular mail? It costs the Post about \$1 per newsletter to print and mail it to the membership. We DO NOT want to miss anyone, so we will continue to mail it to those without an email account. BUT, if you have an email account and are getting it by regular mail, you could save the Post some money by providing your email address to me. You can send it to me at bcolbert@usa.net to insure that it is spelled correctly. The money saved goes to other programs to better serve the members and Veterans in general.

Elsewhere in the newsletter you can read the details on what our Auxiliary Unit and Sons Squadron have been doing over the last months and last year.

Did you have trouble thinking about what to get your children and grandchildren for Christmas? I know that this is coming out after the holidays, but a membership in the Sons of the American Legion for your male children and grandchildren may be something to think about. And, membership in the Auxiliary would be a nice gift to your female children, grandchildren and maybe something different for your wife. Membership in the Auxiliary is \$30/year and in the Sons is \$18/year. Since you are already a member of the Post, their eligibility is assured. Contact information for both are in the newsletter.

It's not too early to start thinking about our upcoming elections. The elections will be in June, 2018, with the nominating committee will begin working on a proposed "slate" in April and reporting to the membership in May. Nominations from the floor may be made at that time, if anyone else decides that they would like to become an officer. The positions that are being voted on are: Commander; 1st Vice Commander (Membership); 2nd Vice Commander (Facilities and Program); Chaplain; and Sgt-At-Arms. Of course, we do not have "term limits" but sometimes people just get tired of doing the same job, or have ambitions of "moving up" either at the Post or within the Legion.

Finally, let us remember those members and Veterans who have passed from us over the past year. We have held more "Post Everlasting" ceremonies at the Post this past year than we ever before. Please remember those who have passed and their families, especially over the holidays. This is going to be a rough holiday season for those families.

See you at the Post or until the next newsletter.

Our Happenin' Auxiliary—Nell Colbert

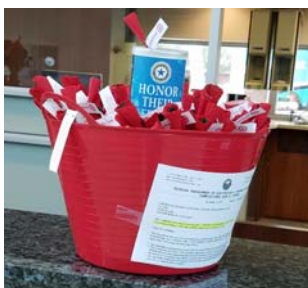

We do hope that everyone had a very Merry Christmas.

It is with great sadness that we announce the passing of our beloved Vice President, Thelma Smith, who went to be with the Lord on November 20th following a heart attack while visiting her daughter in North Carolina. Thelma was an awesome Auxiliary member and will be truly missed.

Since our last newsletter, your Unit has been pretty busy.

- Marge and Nell represented our Unit at the Department of Florida Fall Conference and the fall 6th District meetings.
- We held our annual Veterans

Day Poppy Drive.

- Our Unit delivered our annual goodie baskets to Aloma, Cheney, and Eastbrook Elementary Schools in recognition of National Education Week in November. The teachers and staff enjoyed muffins, bagels and cream

cheese, and assorted

fruits and veggies.

- Just before Christmas, Nell and Marge shopped for our Veteran holiday gift basket

project. The Post funded one of the baskets and the Auxiliary funded the

others through donations we've received during our Poppy drives. Special thanks to Post Adjutant, Bob Colbert, for assisting with the basket delivery.

- Our Unit updated our Constitution, By-Laws, and Standing Rules and have now received the approved documents for our records. A copy

will be posted on our website and emailed to all Unit members.

- Marge, Debi, and Christine had a wonderful time with our Legion Family at the Christmas party at Perkins.

In January, we'll be contacting our elementary schools about the Americanism Essay Contest and our high schools about Girls State. Girls State. Interviews will be at the end of February. We'll also be delivering more food to the Eastbrook Food Pantry.

As always, we welcome new ladies who would like to actively support our military, our youth and our community through our community service projects. To become involved, please call us at 321.578.8612.

was great seeing the citizens of Winter Park standup and clap for the flag and the unit. We also assisted in the SEAL Muster in Ft. Pierce in November as well the Orlando Marathon held at the Post.

In 2018 we have scheduled to assist with Mr. Jerry's FOUR CHAPLAIN'S program, our annual family day at the beach and graduation in MAY. Please keep us, the cadets and leaders

HAPPY NEW YEAR from you Sea Cadet unit on our 15th year in which the Winter Park Memorial Post 112 has supported us from day ONE. In December we marched in the Winter Park Christmas parade for the 10th year and it

in your thoughts and prayers. Just as you, we have many conflicts at home, school and dealing with our class mates.

The Cyber Patriot team is up and running, while competing in regional challenges they are on their way to another successful year. We also have started a shooting team which will be in competition by years end if all goes well.

Please remember that this youth organization is the only one under the Department of Defense however we rely on donations to keep us up and running. The goal is to produce ONE PATRIOT at a time, and to support the sea services with increasing the knowledge of the youth in HONOR, COURAGE and COMMITMENT.

Notes from Our Service Officer

Greetings from your Post Service Officer-December 2017. Below is the latest information I have received.

*The [Department of Veterans Affairs](#) has suspended applications for its new veteran identification card program due to a large number of applicants, according to [a notice on its web-site](#).

The new, free ID card was ordered by Congress in 2015 as a way to give veterans proof of service at businesses without carrying a copy of their DD-214 forms. The VA a week ago rolled out the online application for the card for all honorably discharged veterans, but the system appeared to immediately face technical problems.

Currently, however, veterans who look to apply for the card are instead told they need to come back later.

*Since you last filed a VA disability claim, VA has improved the claim process by launching the **Decision Ready Claims (DRC)** Program.

When you file a DRC, you can get a decision on your claim in **30 days or less** by working with an accredited Veterans Service Organization (VSO). Your VSO will help you gather and submit all relevant and required evidence so your claim is ready for VA to make a decision when you submit it.

You can now file a DRC for the following claim types:

- Direct Service Connection

Claims

- Presumptive Service Connection Claims
- Secondary Service Connection Claims
- Increased Disability Claims
- Dependency and Indemnity Compensation (DIC) Claims
- Pre-Discharge Claims

Don't miss out on this important opportunity to get a faster claim decision. Learn more about the DRC Program, including eligibility requirements, what medical evidence you need to submit, and how to find an accredited VSO at: [:https://www.benefits.va.gov/compensation/drc.asp](https://www.benefits.va.gov/compensation/drc.asp).

Thank you.
Jim Middlekauff

Son's of the of the Legion: Charles Coleman

The Sons of the American Legion at Squadron 112 attended the 14th Annual Fall Conference of the American Legion. The Fall Conference was held at the Renaissance Sea World Orlando Florida on November 3 thru November 5, 2017.

The main purpose of the Fall Conference was to provide training opportunities that meet the needs of our members and officers. Training classes covered a wide range of subjects from Basic Legion Training to Social Media. Also, there were lectures by Legion officers and invited National Guest Speakers on various topics that are important to the American Legion.

The General meeting for the Sons of the American Legion was held on Saturday November 4, 2017. Steve Shuga (State Commander) spoke about the importance of his charity Project Vet Relief. The main purpose of the Project Vet Relief Program is to provide support to our service men and women as they transition into civilian life, their needs in times of crisis, works to secure benefits to get vets back on track and provide encouragement through mentoring. Commander Shuga is requesting the help of the Florida Detachment of the Sons of the American Legion in meeting the Project Vet Relief Program Goal of \$50,000.

Our guest speaker was Brett Reistad from American Legion

Post 270 in McClean Virginia. Mr.Reistad is a candidate for National Commander of The Sons of The American Legion. The focus will be on our history, law and order programs and dedicating more time to first responders.

Also, Mr. Reistad commented on membership. Membership has increased as a result of increased communications between Membership Committee, District Commanders and Squadron Commanders. There are 181 Sons of the American Legion Squadrons in the state of Florida of which 118 Squadrons were cited for 100% membership.

Our Squadron 112 was cited for obtaining 100% membership. The Detachment of Florida Sons of the American Legion is 5th in the world with 18,750 members.

We the American Legion Family at Memorial Post 112 in Winter Park Florida, would like to welcome our new members Caylen Diehl and Ares Diehl to the Sons of the American Legion Squadron 112.

Squadron 112 of the Sons of the American Legion is working with Chick Fil A to sell 125 Raffle tickets at \$5.00 each in support of the Project Vet Relief Program. The winner of the raffle will receive 52 free Chick Fil A sandwich cards.

Also, the Sons of the American Legion Squadron 112 will be working with the Department of Florida American Legion Creative Services Director (Jennifer Cooper) to set up a Breakfast Fundraiser for Project Vet Relief Program. We will be seeking donations from generous individuals, American Legion Members, small businesses and corporations. We need volunteers to serve as Table Captains, ushers, greeters and other responsibilities.

The attendance at our Pancake Breakfast is doing great. We added some excitement at the

November Pancake Breakfast by having a raffle for an authentic Military green winter Blanket. The winning ticket holder was

Clarence Butts from the Lake Nona Veterans Facility. Congratulations to Clarence from the Legion Family at Winter Park Memorial Post 112.

We hope everyone had a Very Merry Christmas and we wish you a Happy, Healthy & Prosperous New Year.

For God & Country,

Charles Coleman, Squadron Commander

The Chaplain's Prayers : Billy Dover

During 2017 we have had challenging times in our Nation, and the World as well as members who have gone to the Post Everlasting. It has been my privilege and honor to support the S.A.L. as well as the American Legion Family of Post 112. Each day I speak to God asking for guidance as I have throughout my life to open and close doors that "HIS will be done" and not mine. You see God knows us before we were even thought about and is present in our lives but it is up to us to allow him to GUIDE us.

In the March-April newsletter I quoted out of the Old Testament: **Isaiah 44: 25 I expose the false prophets as liars and make fools of fortune-tellers. I cause the wise to**

give bad advice thus proving them to be fools. In the New Testament 1 John 4:1 **Dear friends, do not believe everyone who claims to speak by the Spirit. You must test them to see if the spirit they have comes from God. For there are many false prophets in the world.**

God sent his SON to live among us to DIE for us, so that we no longer have to sacrifice unblemished animals. God's SON rose on the third day to show that there is life after death and then he returned to give us the HOLY SPIRIT to dwell with us and guide us till we are called to the Post Everlasting. It is up to you as an individual to ask God to lead you and guide you through all

of life challenges.

PRAYER:

God, we wish to thank you for allowing your perfect Son, to live on earth and sacrifice himself for our sins. Thank you for giving us the Holy Spirit to guide us each moment of our lives and protecting us from ourselves. Continue to give us the wisdom to look for the TRUTH, to be a leader not a follower and educate ourselves on finding the truth. Protect our service members and their families both abroad and at home, protect our first responders as well as our Government Leaders. This we give all the praise and glory to you, IN THE NAME OF THE FATHER, SON and HOLY SPIRIT, AMEN.

for projects by both the American Legion and SAL organizations.

On Dec. 9, 2017 Adjutant Colbert and I attended the 6th District meeting at St. Cloud Post 80 in which we got to talk with our Department Commander Shuga. I wish at this time to thank Commander Shuga for all he has done for the Department of Florida. He never seems to take a day off and has traveled the state during the hurricanes and the informal visit by the 1st VC of the American Legion. When you see Commander Shuga please tell him THANK YOU and to SLOW DOWN, LOL.

2018 is going to come in with a bang as we will be hosting the Oratorical Contest during the E-Board meeting on Jan. 8, 2018. The FOUR CHAPLAIN's service on Feb. 3, 2018 at 2:00 PM, and please come early to due to limited parking. We will be preparing for our School Medals awards at the end of school in April, May and June. With over thirty metals to hand out we will need all members to assist.

Please remember the four pillars of the American Legion and help us support them from during this next year. If you have not paid your dues please do so AS SOON AS POSSIBLE. The funds go to support the Post in all of our activities. Please continue to pray for our members who are sick and unable to make it to the meetings as well as those still servicing us in the Armed Forces and First Responders.

TELL SOMEONE "HELLO" today and give someone a smile you make save their life.
For GOD and COUNTRY, Billy Dover, Jr. Commander

Boys State—Ted Costello

The post at our last general meeting voted that we send two (2) over-quotas next year. I have turned in the monies and some of the initial paper work so we are up to date. I have not received the names of the young men as yet, but the guidance counselors are very good at Winter Park HS. I have scheduled the selection for Tuesday February 13, 2018 at 7:00 PM. This is our regular meeting for February so I am asking you all for a good showing for the boys so please try to attend.

VA News Release

Department of Veterans Affairs (VA) announced that the White House VA Hotline, first launched in June is now fully staffed with live agents working to serve Veterans 24-hours a day, 356 days a year.

The hotline, became 24-hour operational in mid-October, is now staffed by a team consisting of 90 percent Veterans of employees who have a Veteran family member, this is in response to Veterans requests to talk to agents who could relate to their experiences.

The hotline can be accessed at 855-948-2311 and is the VA's first non-clinical, non-emergency around-the-clock call center. It provides Veterans a supple-

mental option to report issues if they are not being addressed through VA's normal customer service channels.

The hotline's agents are located in Shepherdstown, West, Virginia. Agents have access to a multitude of resources and contact information to help Veterans. The hotline also generates real-time reports to VA experts who can help address the specific issues of Veterans as well as make better informed decisions on where program improvements are needed.

some years ago. The picture was taken by one of the attendees to the graduation but what was interesting is that we were in ascending order of the wars we served in: John McCormick (WW11), Jerry Dress (Korea) and Ted Costello (Vietnam) and this was not planned.

A Gift for Someone Who Doesn't Have Everything

Did you have trouble thinking about what to get your children or grandchildren for Christmas? A membership in the Sons of the American Legion for your male children and grandchildren may be something to think about. And, membership in the Auxiliary would be a nice gift to your female children, grandchildren and even something different for your wife. Membership in the Auxiliary is \$30/year and in the Sons is \$18/year. Since you are already a member of the Post, their eligibility is assured. Contact information for both are in the newsletter.
