COMMANDER'S MINUTE

Greetings fellow Post 112 members:

I hope everyone is doing well and surviving the major Florida heat. Please say a prayer for those who have lost everything due to tornadoes or flooding.

We were able to conduct our Memorial Day ceremony without too much suffering. The turnout was small, but we had a great speaker (who also transferred to our Post) and had a good remembrance for those who lost their lives defending our country. We recognized Dyke Shannon for his 50 years as a Legion member. I thank the Centurion Battalion Sea Cadets for their major support and color guard. Our raffle drawing for a new BBQ grill netted \$80.00 which went to the American Legion Vet-Relief program.

There is no more "work days" scheduled; however, there is still work that needs to be accomplished. If anyone knows of a contractor or company that will install 3 office windows for us, please let me know. The years of heat and weather has destroyed the old windows and really heats up the office space, which in turn makes the AC unit run more.

Thank You to Bob Colbert, Billy Dover and the ladies of our Auxiliary for assisting me with presenting our Annual school medals. Cont'd on Page 2

Commander's Minute—Cont'd from Page 1

Cont'd from Page 1

We had a total of 17 but unfortunately, we had to just deliver some packages to the schools for them to do the presentations for us as we didn't have enough volunteers to cover all the dates. We also did 3 ROTC units and the Centurion Battalion Sea Cadets at their graduation ceremony.

The handicapped gate is complete and functional now. My TDK contact has moved on to another project, but I do get support from the property manager now if needed.

Elections took place for our next year in June and installation will take place in July. Thank you to our members who have stepped up to give leadership next year:

- Jim Middlekauff, Commander
- Benton Bonney, 1st Vice Commander
- Bob Colbert, Adjutant & Finance Officer
- Billy Dover, Chaplain
- Russ Kraeger, Sgt-at-Arms
- Ted Costello & Jim Middlekauff—Service Officers
- Terry Brown, Asst. Judge Advocate
- Larry Wartell, Historian

Our 1st Vice has done an outstanding job with renewals and contacting members who have let their membership lapse. Thanks, Steven, for all your help this year.

Keep our Sgt. At Arms in your thoughts and prayers as he is recovering from double by-pass surgery. Past Commander Dover has moved up to Post Chaplain due to the passing of Cliff Buhrow who held this position for many years.

Happy 4th of July to everyone! I would like for our next ceremony to be September 11th to remember those who lost their lives unnecessarily.

I hope you all have a safe and healthy summer.

For God and Country,
Jim Middlekauff

2020 Legion Dues are now being accepted!
Please send your \$38 check to
PO Box 910, Goldenrod, FL 32733
TODAY!

.....

Notes From the Adjutant's Desk

Welcome to the 2019-2020 Legion year! There are some new things in the works and more about that in the near future. We also have the Installation of Officers at the July meeting with visiting dignitaries from the 6th District. The installation will be for the Post, Auxiliary, and Son's Squadron; it would be great if you could attend!

The 2020 membership drive has begun! We did not make 100% in 2019. We missed it by 4 people! Hopefully, we can do better in the 2020 membership year. Just so that you know, the reason that the membership campaign begins in July is so that the members can have their 2020 card before the first of the year. That insures that they have access to any American Legion Post throughout the world, should they be travelling. After the first of January in 2020, anyone without a 2020 card is denied access to the Posts. So, please try to get your 2020 dues in as soon as you can. You can mail it to the Post or pay ONLINE. If you pay online, you will get a temporary 2020 membership card that you can print. We are notified that you have paid and we will send you the regular card after we get the word from Department.

In August, we have invited our Boys State representatives to come to the meeting to share what they have learned and the experiences that they

had at the Boys State events. This is an annual visit and "debriefing" that we do each year and the youth always have some interesting tales to tell.

By the time that you see this article, the 2019 Department of Florida Annual Convention will be

over. The next big Department event will be the Fall Conference where there are classes in the various operations of a Post. If you have an interest in learning more about the Post, or perhaps becoming a Service Officer to be able to help Commander Middlekauff and Ted Costello, this is also when you can get certified. Let me know if you want any information of any of the classes at the coming Fall Conference.

As you may have noticed, our Executive Board is meeting at the Post at 6 PM on meeting nights so that the Board members don't have to make a special trip to the Post. The conference bridge is also available during the Board Meetings as it is for the General Meetings. Please contact me for the call-in information if you wish to call in to the meetings.

Our newsletter could use a name. We will discuss this idea in future meetings and perhaps we can put together a contest as it were to name it. The newsletter has been around for over 10 years and we have not given it a name of its own. Maybe now is the time to think about it. If you have an idea for our newsletter name, please send it to our editor, Nell, at necolbert@usa.net or to me.

In each newsletter there is a list of birthdays. If you have noticed that your birthday has been missed, please check with me. I have noticed that over the years, several of our members do not have their birthdays listed in my records. Hence, when I prepare the birthday list for each newsletter, people get missed. We mean no disrespect and feel that everyone should be recognized on their birthday. Please note that we do not publish the year as we don't want to embarrass the younger folks.

See you at the installation and please also plan to make the August meeting to show your support of our representatives who attended Boys State this year.

ADVERTISING INFORMATION

Would your business like to advertise in our Post newsletter? This newsletter, with distribution via email and USPS to over 200 members and organizations, is now accepting advertising for our monthly newsletters.

Advertising rates per issue are as follows:

Business card size - \$ 6.00 (3 3/4"w x 2 1/4"l)
1/4 page - \$ 10.00 (3 3/4"w x 4 3/4"l)
1/2 page - \$ 18.00 (7 3/4"w x 4 3/4"l or 3 3/4"w x 9 3/4"l)
Full page - \$ 30.00 (7 3/4"w x 9 3/4"l)

If paid in advance for FIVE ISSUES, THE SIXTH ISSUE IS FREE!

Copy MUST be emailed to the editor as a jpg or Publisher file but payment MUST be mailed to the Post's PO Box or hand delivered to the Post by the 15th of the month preceding publication.

COPY DEADLINES:

Our Happenin' Auxiliary—Nell Colbert

We are very **EXCITED!**

In June we welcomed **our newest** member to our Unit, Lisa Gagne, daughter of our Post Boy Scout Chairman, Ron Gagne. Welcome Lisa—we're so very glad to have you as part of our team.

2019 Membership

A BIG thanks goes out to everyone who has paid their 2019 dues. We finished our 2019 membership year at 91.3% of our membership goal, with 21 paid members. If you did not have a chance to pay your 2019 dues, there is still time—you can maintain your continuous years by sending your 2019 dues along with your 2020 dues to:

ALA Unit 112
PO Box 2246
Goldenrod, FL 32733-2246

2020 Membership

We are now beginning our 2020 membership drive. If you know of eligible ladies who would make awesome Unit members, please bring them to our next meeting on July 9th where we will be installing our 2019-2020 officers. Senior dues are \$36 and Junior dues are \$12.

Girls State

We are thrilled to announce that our very first Girls State delegate,

Tracy Nelson, is now a graduate of Yale Law School. We are so very proud of her ac-

complishments.

Our 2019 Girls State delegates will be joining our meeting in August (8/20) to share their exciting experiences with us. We do hope that all of our members can attend.

School Medals

May was very busy for our Unit as we presented Americanism Essay Contest certificates and medals and Scholastic Achievement certificates and medals to students in eight different elementary schools. A big thank-you goes out to Marge Berrios, Nell Colbert, and Cathy Diehl for making these presentations happen. These ladies also assisted with the Legion medal presentations for some of the schools where the Legion had too many schools to cover on the same day.

National Teacher Appreciation Week

May also saw our Unit recognize the teachers and staff at three elementary schools where we provided breakfast

goodies on Teacher Appreciation Day. From bagels and muffins to apples, bananas, and oranges, the faculty at Aloma, Cheney, and Eastbrook Elementary schools enjoyed a nice breakfast before classes began.

2019- 2020 Officers

At our May meeting, we elected the officers for 2019-2020. We thank these ladies for stepping up to give leadership to our Unit for the upcoming year. Our installation will be held on July 9th in conjunction with the Legion and S.A.L. installations. **Please join us!**

As always, we welcome new ladies who would like to actively support our military, our youth and our community through our community service projects. To become involved, please call us at 321.578.8612.

Check out our Facebook page at:

or our website at:

www.AmLegionAux112FL.com to see what we've been doing.

Notes from Our Service Officer

VA Mission Act Update Choice Program Ending, Replaced by New Community Care Program:

The Veterans Choice Program is scheduled to be replaced by a new Veteran Community Care Program; the VA MISSION Act. President Donald J. Trump's signature put us on a path to implementing these reforms. On June 6, the MISSION Act will enable VA to consolidate the Department's community care efforts into a single, simple-to-use program that will empower Veterans with the ability to choose the healthcare providers they trust.

So what can Veterans expect on June 6?

Less red tape, more satisfaction and predictability for patients, more efficiency for our clinicians, and better value for taxpayers. Veterans will be eligible to get community care for a variety of reasons, including when VA can't provide the treatment they need or when care outside our system is in the best medical interest of the patient.

To ensure our Veterans are spending their time getting care instead of driving to it, patients facing an average drive time of 30-minutes or more for VA primary or mental healthcare, or non-institutional extended care services, will have the option of choosing a community provider closer to home. For specialty care, the drive-time standard will be an average of 60 minutes.

And to get Veterans the care they need when they need it, VA patients facing a 20-day or more wait time for primary or mental healthcare, or non-institutional extended care services, will have the option of choosing a community provider who can deliver that care faster. For specialty care, the wait-time standard will be 28 days.

For additional convenience and timely treatment, eligible Veterans will also have access to

urgent, walk-in care that gives them the choice to receive certain services at participating community clinics in their communities. (To access this new benefit, Veterans will select a provider in VA's community care network and may be charged a copayment.)

For more information on the Mission Act, and what this will do for all Veterans, please go to www.MISSIONAct.va.gov

D-Day 75th Anniversary at National WWII Memorial:

The Friends of the National World War II Memorial will be hosting three events beginning Wednesday to commemorate the 75th anniversary of the D-Day landings. First up will be a discussion of the new book, "The First Wave: The D-Day Warriors Who Led the Way to Victory in World War II," at 10 a.m. at The Army and Navy Club at Farragut Square. This will be followed by a remembrance ceremony, candlelit vigil, and a reading of the names of those who are buried at the Normandy American Cemetery in France Wednesday afternoon at 4 p.m. The 75th anniversary ceremony begins at 10 a.m., Thursday.

MIA Update: The Defense POW/MIA Accounting Agency has announced the identifications of five American servicemen who had been missing and unaccounted for from Korea and WWII.

1-Army (Korea), 1-Marine (Gilbert Is.), 3- Navy (USS Oklahoma).

Politics and the Legion Family

With the upcoming political season starting, there is something that you need to know about the American Legion, Auxiliary, and the Sons of the American Legion and the policies regarding politics and the American Legion family emblem and symbols.

The American Legion family is “a-political” and that means that the Legion family of organizations supports and encourages the act of voting in all forms but the Legion, Auxiliary, and S.A.L. can not back or support a particular candidate regardless of the office that this person is hoping to attain. That means, specifically, **NO HATS, CAPS, SHIRTS, OR ANY OTHER SYMBOL OF THE AMERICAN LEGION, THE AMERICAN LEGION AUXILIARY, OR THE SONS OF THE AMERICAN LEGION MAY BE DISPLAYED AT A POLITICAL RALLY, MEETING, MARCH OR CAMPAIGN.** You as a Legion family member are encouraged to participate in such activities but you do it on your own, as it should be.

The appearance of a cap, shirt or other symbolism of the American Legion, the Auxiliary, or the S.A.L. at a political function for any candidate gives the **FALSE** impression that the Legion family supports that person, and that is forbidden by the Legion’s rules and policies.

The American Legion is a Federally Chartered Organization and prohibited from participating in, or endorsing any individual or Political Party. While the American Legion Auxiliary and the Sons of the American Legion are not federally chartered, they cannot exist without the American Legion and must, therefore, abide by the rules of the American Legion.

Coyotes and Your Pets

There have been numerous sightings of coyotes in our area. This is just a reminder that coyotes roam our neighborhoods in search of shelter and, of course, food. Coyotes live in every state in the US except Hawaii. Coyotes are curious but are also timid and will run away if challenged. These animals resemble a small German Shepherd dog and weigh between 15 and 30 pounds. The coyote diet consists of just about anything they can find including pet food, fruits, nuts, seeds, dead animals, and rodents, **as well as domestic cats and small dogs.** Coyotes will also eat garbage if they can get to it. Please make sure that your garbage cans are securely closed

when you put them out for collection and that you are not leaving dishes of pet food outside.

Most coyote attacks on animals occur overnight, at dawn, or at dusk. If you can avoid walking your dogs at these times, it is best to do so. If you must walk your dog during these peak attack times, please be sure to keep your dog on a short leash. And please keep your cats indoors over night. To protect your animals when you walk them, you might consider carrying a large squirt gun, walking stick, golf club or air horn with you. The Florida Fish and Wildlife Conservation Commission has some very interesting information that can be found on-line—just click on the link below or type it into your browser.

<https://cityofwinterpark.org/docs/quick-info/a-guide-to-living-with-urban-coyotes.pdf>

The Ins & Outs of Downsizing—Terri Misek

The Ins & Outs of Downsizing by Terri Misek

The previous article in this series, *When is it Time to Downsize?* (read at www.SeniorRealEstateFL.com), outlines the reasons to consider downsizing, and provides tips for making informed relocation decisions. This article covers what to consider once you've made the decision to downsize.

STEP 1: Create your Downsizing Dream Team

Having a knowledgeable team will help you relocate with the minimum amount of stress. Consider including the following on your team:

Family Member(s)

Senior Real Estate Specialist - Hire a SRES (Senior Real Estate Specialist) to help you list your home. An SRES is important because they can share their network of qualified resources such as elder law attorneys, financial advisors, move managers and other professionals who can be extremely helpful during your transition.

Senior Move Manager - Hire a Senior Move Manager who specializes in facilitating every aspect of the downsizing process. Visit the National Association of Move Senior Managers for a list of move managers near you: www.nasmm.org.

Estate Sale Planner - Ask your realtor or move manager for recommendations, or check out the National Estate Sales Association for a list of members: <http://www.nesa-usa.com/>

Trusted Advisors (Legal & Financial) - Be sure to include your attorney and financial planner in the decision making process. If you don't have a family lawyer, you may want to consider working with an elder law attorney.

STEP 2: Decide Where to Move:

1. Locally
2. To a different city
3. To a different state

STEP 3: Decide what size and type of new home would best suit your needs:

Smaller house
Apartment
Condo
Retirement community Assisted living facility
RV & travel the world

STEP 4: Decide what to take to your new home.

It's helpful to divide your possessions into four groups:

Keep - Decide what possessions mean the most to you ("Bring you joy" in Marie Kondo language!); these are the treasured keepsakes you want to take with you to your new home. It's important to consider the layout of your new home. Don't over pack!

Gift - After you've decided what you are taking to your new home, invite your children and grandchildren to come and pick out things that they find meaningful and would like to have. You may also want to invite close friends to choose

Cont'd on Page 9

The Ins & Outs of Downsizing—Cont'd from Page 8

Cont'd from Page 8

mementos.

Donate - Pick an organization that you like to support and could use your extra furniture, clothes, housewares and other items. If none of the organizations you currently support could benefit from what you want to donate, consider a reputable national charity such as Good Will, Habitat for Humanity, or the Salvation Army. You can check out charities on www.charitywatch.org or www.charitynavigator.org.

Sell - Once you've determined what you are keeping, gifting and donating, it's time to figure out how to sell the rest. If you want to sell things yourself, options to consider include:

- Garage Sale (Individual or Community)

- Consignment Shops

- Church Bazaars

- On-Line via Craig's List, E-bay, Let it Go, etc.

- If you'd prefer to hire someone to help you, options to consider include: Estate Sale Planner, Furniture Liquidator, Arts & Antique Dealer

Stay tuned for the next article in this series: ***Making the Move!*** Terri Shayne Misek is a Senior Real Estate Specialist who specializes in helping seniors transition from their current home to a future home they'll love. She's active in her local community and co-leads a widows group in Long-

Sons of the Legion—Jim Carten

The Son's would like to begin the monthly "Breakfast for Veterans" again, but as we don't have the volunteer staff to pull it off, it has not been resumed yet.

Would you like to see it start back up, again? Would you be willing to help?

To keep things very simple, the breakfast would serve Coffee, Donuts, and Bagels or something similar, so there would be NO COOKING other than making coffee!. The breakfasts would be on the last Saturday of the month from 8am to 11am, as before.

We would need at least three volunteers to handle each event and the Auxiliary is already willing to provide one person per event. If we can get one person from the Legion to assist the SAL Squadron and the Auxiliary, we can ROTATE people through and make it easier on everyone to spread the work load. Set up, break down and clean up, as well as serving the coffee and donuts plus someone to collect the \$3 donation per guest is all we have to have to resume it.

Please get in touch with S A L Squadron Commander, Jim Carten by phone or email to volunteer as he will create and keep the roster. Remember that the funds that we collect help the Sons Squadron with their Legion programs.

Jim Carten can be reached at 407-415-9042 or architechjim3@yahoo.com.

Hurricane Preparedness

Welcome to the 2019 Hurricane Season! June 1st is no longer “around the corner” in fact, it is HERE! And to help you along with the idea, here are the 2019 names for these storms:

Andrea; Barry; Chantal; Dorian; Erin; Fernand; Gabrielle; Humberto; Imelda; Jerry; Karen; Lorenzo; Melisa; Nestor; Olga; Pablo; Rebekah; Sebastien; Tanya; Van and Wendy. This list can but hopefully will not be expanded as needed through the season.

To many of us, the season is something to note but not be too concerned about until August or September. Face it, the bulk of the storms that come our way are during the peak of the season. Our last storm was in 2017 which wasn't that long ago. Were you a resident then? If so, you may have experienced some damage, or inconveniences AND power outage. Many of us were without power for over a week that time. And, as some will tell you, with power outages comes loss of cable/internet and landline (home phone) if you use the internet for your phone service. So, let's go over a couple of things.

Power loss means that your freezer is not going to keep the contents frozen for much more than 24-48 hours. What you can do is obtain a relatively small (5KW-9KW) gasoline generator and some heavy duty extension cords. That size generator will keep both the freezer and refrigerator operating. It will NOT give you hot water or run your stove/oven and maybe not even your microwave oven unless you unplug the freezer and refrigerator first. But, with the freezer and refrigerator covered, food will not spoil.

Cooking could be a problem that is easily solved with an outdoor grill, provided that you have one that has propane or the charcoal already here. If you are like many of our neighbors, outdoor cooking is a specialty! Again, be certain that the ventilation is taken care of and never bring the grill inside the garage or house.

REMEMBER---NEVER USE A GENERATOR IN THE GARAGE OR NEAR YOUR DOORS OR WINDOWS!!! Carbon monoxide is colorless and odorless and DEADLY. If you or anyone in the house is **beginning to get headaches**, shut the generator OFF and move outside while you ventilate your house **AND CALL 9-1-1!** Rescue needs to check everyone out after exposure to carbon monoxide.

Happy Hurricane Season – 2019! I sincerely hope that we don't have to use these skills this year.
