COMMANDER'S MINUTE

Greetings fellow Post 112 members:

I hope everyone has a good start to the New Year.

Our first ceremony at the Post, our annual Four Chaplains Ceremony, unfortunately did not get us off to a good start. We had an awesome Army LCol. (Ret Chaplain) who gave an incredible speech and filled in for the Post Chaplain. We only had one Past Commander attend and only one Post member other than the ceremony participants. This is the second year of poor turn-out, so I suggested at our last meeting that this event just be canceled for next year. Most of our attendees were from the Sea Cadets and I thank them for their efforts and assistance with this program. Our Auxiliary also had a good presence and I thank them for their continued support. Jim Carten, our S.A.L. Commander served as our MC – thank you Jim.

On another note, we have not been able to put a crew together to continue with the Pancake Breakfast. Jim Carten has taken over as the SAL Commander and he would like to continue with this program. However, unless we can get members to commit to assisting with this, we just cannot support a breakfast at this time. If you want to sign up and commit to a monthly schedule as you can, please contact Commander Carten (information is on the website under officers as well as in our masthead) or one of our officers. I did suggest a possible coffee/donut/bagel event in leu of a full-blown breakfast since that would require fewer volunteers to assist. Let's see how this goes – please contact Jim Carten if you can help.

I do plan on having other events in 2019 but have not finalized a calendar for that as yet.

We conducted our annual Boys State Competition at our last meeting (Feb 12) and have elected to send four more young men to this program. This is our future and is vitally important to continue. With that, I ask that someone step up to assist Past Commander Costello

with Boys State. He has done an outstanding job coordinating this effort for over twenty (20) years and this has taken a toll on him. I can totally understand his reluctance to ask for help, but he does need it. Please contact him or any of our officers if you wish to learn how to orchestrate this annual Post program with his assistance.

Our monthly "Post Work Day" has proven to be a great asset in getting the Post cleaned up and more presentable. I thank all those who have been able to assist including the FRA Branch 117 members, Legion, and Auxiliary members. We will continue with this until such time as it will no longer be needed. If you have not been able to get to the Post as of yet, please come to a meeting or event and see the "new look" for your Post.

Our membership renewals are going well, but we still need others to renew to reach our 100% goal. We have achieved this milestone for many years, so let's keep it going. It is Buddy month, so if you know of a member that you have not seen or talked to recently, give them a call. Our membership efforts are going strong and I appreciate everyone who does renew. Our 1st Vice Miglionico is doing a great job assisting with membership and is much appreciated.

Again, we have an Eagle Scout project in the works to honor the Four Chaplains that will be permanently on display when completed out by our flag pole. We do not have a completion date for this as yet, but it will be a really nice presentation.

The American Legion Post is going well; however, it is only as strong as the membership. I do greatly appreciate the efforts of the members who are able to assist. If you know of a fellow Veteran that qualifies, feel free to bring them to a meeting or just get them to sign up. Be safe and hope to see more members at the Post in 2019. I look forward to the New Year and having more programs at the Post.

For God and Country, Jim Middlekauff

This Legion Post also has an Auxiliary for your spouse, daughters, and granddaughters so you can now all enjoy the events that are offered. Auxiliary members pay only \$36.00 a year. Young ladies under 18 years of age are called Juniors and they pay only \$12.00 per year. Auxiliary website is www.AmLegionAux112FL.com. Please call Nell for more information. Nell is the editor for our newsletter so her contact info is in the masthead.

The Legion also has a Sons of the American Legion Squadron for your sons and grandsons. Squadron dues are \$18.00. For more information about S.A.L., please contact our Adjutant, Bob.

Notes From the Adjutant's Desk

Ladies and Gentlemen, if you haven't been to the Post, you have no idea of the improvements that have been made! Parking is now on the WEST side of the building - pull past the building and look for the gate in the fence. We are working to get better markings for it. Unfortunately, we are only open when there is a meeting or event going on. If you want to see the most updated calendar, please go to the WEB page at <http://www.wpflpost112.org> as I update that page several times a month.

We just have 26 more members to renew for our 100%! Vice Commander Miglionico has been working diligently to make contact with these members to insure that the Post reaches its 100% membership goal and we fully support his efforts. Even if you are not coming to the Post, you can still support us with your membership. We have members in other states who started out here and maintained their membership. Your 2019 membership card allows you access to ANY American Legion Post in the WORLD! You can even save a stamp by renewing online at the National WEB site - <http://my.legion.org> and get your new "temporary" card immediately. We will mail your regular card to you when National has finished processing the renewal.

Please note: We are changing the Conference Bridge number. The new Conference Bridge is a local Orlando number - (407) 289-2725 and the PIN is 2892#, We have this bridge for our meetings from now on!

Upcoming events where we need your help were mentioned by the Commander in his article, but we also want to hear from you about events or speakers that you would like to see presented at our monthly meetings. Coming in to hear the minutes of the last meeting and some reports doesn't make an interesting meeting. I have already asked the Veterans Service Officer from Seminole County and he is willing to stop by and talk to us about the current state of Veterans affairs. All we need to do is set a date; the Commander and I are working on this. Other topics that we are looking at are; "Identity Theft and how to prevent it" and a presentation on the "Vet Relief" program that the Depart-

ment is doing. Our Son's Squadron raised a sizeable amount of money for that program in 2017-2018. Wouldn't you like to know about this program and how it helps veterans?

This April, May and June, we will need volunteers to assist in giving out School Medals to our area schools. This isn't for everyone as these events are normally held in the mornings during the week. The medals recognize a boy and a girl in their "graduating" year for adhering to the Legion Values. These youth are in elementary, middle school and high school. We also award medals to Lake Howell NJROTC and Winter Park NJROTC. We will be putting out more information on this activity in the coming months and we could really use your help. Several of the schools have their award ceremonies on the same day and one person can not handle it alone. Watch for emails from "flpost112@gmail.com" as that is the Post's generic email. The Commander and I monitor it.

The Pancake Breakfast has been suspended. Whether it comes back or not is now up to the Post Family (Legion, Auxiliary and Sons). The suggestion of making it a "coffee and donuts" affair has been suggested, but regardless, we need people to come in and handle the event. We are asking that you commit to perhaps one Saturday or two per year, but more is always better. Greeters, servers, "kitchen" staff (making coffee, etc.) for four hours every few months is what we are asking. This is a "Post Family" affair that had been handled by the Sons, but we are hoping for wider participation. Son's Commander, Jim Carten, is coordinating this event and will start it back up if we can get the staffing to make it work. Jim Carten can be reached at architectjim3@yahoo.com or (407) 415-9042.

This truly is YOUR Post and we are here to help. The Commander and his staff have spent many hours working to make the Post a better place, and we need to know what you would like to see for other improvements, activities, and speakers in the coming months.

Our Happenin' Auxiliary—Nell Colbert

Have you been to the Post lately?

Boy what a change! We have a beautiful new fence, the building has been repainted, and the developer for the apartment complex behind the building has added some very nice landscaping. Another change includes where we park for our meetings. Parking is now in the grassy area behind the building. We now have two spots designated for handicap parking and the developer is going to be adding a sidewalk from the parking area to the front of the building for those who need to use the ramp to enter the building. The Legion also plans to install a hand-rail to make it easier for everyone to get into the building through the back door. Come check out all the new improvements!

2019 Membership

Thanks to everyone who has paid their 2019 dues. As of Feb 15th, we are at 65% of our membership goal, with 15 paid members. If you have not yet paid your 2019 dues, your Auxiliary membership has expired! Dues for 2019 should be sent to :

ALA Unit 112
PO Box 2246
Goldenrod, FL 32733-2246

Senior dues are \$36 and Junior dues are \$12. As of 2/15/19, the following members have paid their 2019 dues:

Marge Berrios, Theresa Berrios, Nell Colbert, Rory Colbert, Christine Costello, Takako Cunningham, Cathy Diehl,

Mary Doyle, Staci Klinger, Cheryl Knapp, Sharon Leimer, Aunita Padgett, Joanne Russell, Virginia Saunders, and Debi Shannon.

Our Vice President, Cathy Diehl is currently making phone calls to those who have not yet paid as we don't want to lose anyone. The sooner we can get everyone's dues paid for 2019, the sooner we can stop bugging everyone.

Girls State

We will be interviewing candidates from local high schools on Sunday February 24th. Please plan to be at the Post by 1pm as the interviews will begin at 2p. We will be able to pick better delegates to represent Unit 112 this summer if we have more members attending the selection session.

Americanism Essay Contest

We have gotten essay contest information to six elementary schools and our high schools. Essays will be due by March 15th and will be judged at our March meeting. The winning essay writers will receive an essay medal at the end-of-the-year graduation ceremonies and their entries will be forwarded to Department for the State contest.

Four Chaplains Service

Nell and Marge assisted with this year's service. We always have a great time assisting with this memorable commemorative service. There are some awesome pictures on Page 9.

Post Work Day

The Post is having Post Work Days on the 4th Wednesday of each month from 9am until 2pm. Nell and Cathy have participated in recent work days but it would be wonderful if some more of our members could help. It's light work for the ladies and the Commander provides lunch.

Pancake Breakfast Update

As you know, the S.A.L. pancake breakfast was suspended late last year due to the construction of the apartment complex behind the Post and the renovations being done at the Post. The Sons Commander, Jim Carten, would like to begin holding the breakfasts again beginning in March and he is looking for help from our Auxiliary members. Right now, they are thinking about doing donuts and coffee and would like to have us each volunteer one or two Saturdays during the YEAR. Please contact Jim at architectjim3@yahoo.com or 407.415.9042 to get on the schedule. Let's make this a family affair!

As always, we welcome new ladies who would like to actively support our military, our youth and our community through our community service projects. To become involved, please call us at 321.578.8612.

Verify Veteran Status From Your Smart Phone

In addition to a Veteran ID Card now there's another option for every Veteran to verify his/her veteran status. Using the Armed Forces Locator (AFL) platform, Veterans who need help verifying their identities to businesses can simply log on to their AFL account to prove their Veteran status. If disabled, all a Veteran has to do is set up disabled status on their on their AFL account as proof. It's simple, and worth setting up as a secondary verifying source.

Using the AFL platform, you can upload your DD 214, DD 256 Form (Discharge Certificate), and other military forms to prove your veteran status. Creating an AFL account, you will have many options to prove your veteran status to businesses, employers, family and friends, right from your smart phone.

Why you should create an account on AFL?

By creating an account with AFL, you gain access to a suite of free tools to showcase your military career. Also, with an AFL account you can:

- Respond to member reviews with a direct message or public comment
- Reply to messages from other AFL members.
- Track views on your AFL account
- Upload military documents
- Upload VA documents
- Upload military awards
- Upload and manage military photographs
- Update your contact information like address, telephone number, website
- Add further information to your Homepage, like military biography
- Locate military buddies
- Locate military dependents

On Thursday, the House also passed [H.R. 450, the Preventing Crimes Against Veterans Act of 2019](#), which would punish with up to five years imprisonment whoever defrauds veterans of their earned benefits.

Senate Appropriations Hearing on Electronic Health Care Record Modernization:

On Tuesday, the Senate Committee on Appropriations Subcommittee on Military Construction, Veterans Affairs, and Related Agencies held a hearing on the implementation of VA's electronic health record modernization (EHRM) efforts. The hearing focused on how the VA plans to stay on track during the estimated 10-year, \$16.1 billion transition to the EHRM.

The *Veterans Appeals Improvement and Modernization Act of 2017* is effective February 19, 2019. Under the new law, any Veteran who receives an initial VA claim decision after February 2019 can choose from three, easy-to-understand review choices. All three choices provide Veterans with faster resolution of disagreements with VA decisions.

The new law will:

Modernize the current claims and appeals process
 Include three review options for disagreements with decisions
 Require improved notification of VA decisions
 Provide earlier claim resolution
 Ensure you receive the earliest effective date possible

• Option 1: Higher-level Review

Your claim is reviewed by a more senior claims adjudicator and involves:

• Option 2: A Supplemental Claim Lane

You can submit or identify new and relevant evidence to support your claim. VA will provide

Continued on Page 8

Continued from Page 7

Assistance in developing the evidence.

• **Option 3: Appeal Lane for Appeals to the Board**

This option allows you to appeal directly to the Board of Veterans' Appeals. You can choose between three options:

- ◊Direct review: You have no new evidence and do not want a hearing.
- ◊Evidence submission: You have new evidence, but do not want a hearing.
- ◊Hearing: You have new evidence and want to testify before a Veterans Law Judge.

MIA Update: This week, the Defense POW/MIA Accounting Agency announced four new identifications. Returning home with full military honors are: 2 Amy (Germany) and 2 Marines (Pearl Harbor).

Boys State—Ted Costello

Post 112 Boys State selection was held at the post on Tuesday February 12, 2019 at 7:00 PM. The boys selected from Winter Park High School were once again outstanding. The guidance counselor and I coordinated the process in accordance with American Legion guidelines. I had one other boy from Trinity Prep School, but he informed me the day of the meeting that his academic and athletic curriculum had changed, and he would not be able to attend; he did ask if he could still participate in another selection process at another post and I sent the info to department headquarters. I want to thank all the members for their participation in the process. I do look at the grading results and compare with other years. I noticed that this year over half of the membership graded our selectees in the same order...good job! The following young men will represent Post 112 in the Boys State 2019:

Aydin Byrd
Blake Gebhardt
Joshua Lamb
Dario Rico

I also informed the guidance counselor at Winter Park High School and she had it announced over the intercom (probably embarrassed all the boys.) Thanks, again.

Four Chaplain's Service

This year's Four Chaplains Ceremony was held on February 2, 2019. Our guest Chaplain was Retired Army Chaplain M. W. Luckie who delivered the homily. The chaplain is now working at the Lake Nona facility for the VA. This is the fifth year that our Post has offered this tribute to the Four Chaplains who died on the USAT Dorchester on February 3, 1943. A special thanks to the Post family and the Centurion Battalion Sea Cadets.

When is it Time to Downsize? - Terri Misek

There are several reasons why you may need to sell your family home. Maybe the stairs have become too hard to climb, the thresholds are a hazard, or the house is just too big to manage. It's time to think about downsizing if:

- *You no longer need the amount of space you had when the kids were home*
- *You've retired and want to cut back on expenses*
- *You want a more carefree life*
- *You want to do more traveling*
- *You no longer want to take care of the yard or the pool*
- *You are having trouble getting around and stairs are challenging*
- *You're ready to make your*

load lighter

Fortunately, there are many options for over 50 housing. If you are thinking about downsizing, it may be wise to consult a certified SRES (Senior Real Estate Specialist) who can help you make an informed relocation decision, and provide information about the many senior housing options available. A SRES will work with you to ensure that your next home meets both your current and future needs. They can also share their network of qualified resources such as elder law attorneys, financial advisors, move managers, and other professionals who can be extremely helpful during your transition.

One of the biggest challenges of downsizing is deciding what to

do with your stuff! Your SRES can recommend a senior move manager or organizational specialist who can help you decide what to keep, where to donate to benefit others, and how to honor the special things you decide to hold on to. Downsizing can be an overwhelming process if you've been in your house for many years. Don't rush; the timing needs to be right for YOU.

Stay tuned for the next article in this series: *The Ins & Outs of Downsizing*.

Son's of the of the Legion: Jim Carten

Sons Squadron 112 and the Post leadership were disappointed to receive and accept the resignation of Charles Coleman as our Commander due to health challenges at the end of November, 2018. Jim Carten has moved from Vice Commander to Commander.

Over the holidays, our Squadron worked with the Auxiliary Unit 112 to provide a Thanksgiving feast for the 70 families who receive Eastbrook food pantry. We also had a presence at the Eastbrook Veterans Day program and assisted the Auxiliary with their information table where we distributed information about our Sons Squadron. For Christmas, we assisted the Post and Auxiliary with shopping for a VA Angel Tree family. Our new Commander also served as the Master of Ceremonies for the Post's annual Four Chaplains service.

As you recall, our Pancake Breakfasts, were one of our major fundraisers for the Squadron. Unfortunately, due to the apartment construction, renovations to the Legion building, and limited parking, we discontinued the breakfasts after the October event. We would like to begin the breakfasts again in March and we need to assemble our breakfast crew. We are also thinking about changing the menu to a coffee and donuts type event. Please contact me at architectjim3@yahoo.com or 407.415.9042 to get on the schedule and to let him know your thoughts on the menu change.

IMPORTANT NOTE:

Our meetings have changed. The Squadron unanimously approved moving our meetings to the **first Tuesday of the month beginning at 7pm.**

Our Squadron has now achieved 100% membership. Thanks to everyone who has paid their 2019 dues.
