COMMANDER'S MINUTE

Greetings fellow Post 112 members:

I hope everyone is still taking all the necessary precautions, so no one gets ill. According to the news, it seems no one really knows when this will all end or even what our "new" normal will be. We ARE strong and will get through this as we have in the past with critical issues. We must keep the faith that this will be more under control by the end of the year, which seems to be an eternity away presently. Again, if you need anything, please do NOT hesitate to call me or one of our officers for assistance. Please be safe.

On a happier note; your Post is now OPEN, well-sort of. Obviously, I do not get over to the Post daily or sometimes even weekly and for the safety of all we do not have face to face meetings yet. I am however, still taking care of business that needs to be done to keep the Post in good working order. I thank the Post Adjutant for his assistance as well as the Past Commanders who give their input to what must be done and accomplished. We will continue to serve the membership as best we can until further notice and until the CDC restrictions are lifted. With time and a LOT of patience, we may again be able to get together by the end of this year. Try to call other members, they may be lonely and just need to hear a friendly voice.

We are not planning any major or large social events at this time as well. My plan as of now, is to have a virtual September 11th ceremony with just the Adjutant and I doing a live ZOOM ceremony from the Post. We must keep as much as we can to our "normal" schedule even though we cannot all be together. Friday, September 18th is also National POW/MIA Day and the Orlando Mayor will be doing a virtual ceremony in the rotunda of City Hall. This was created by the National League of Families and was proclaimed by the US Congress in 1998 and observed on the third Friday in September. As I get information concerning the connection, I will pass it on to

Commanders Minute cont'd from P1

Cont'd from Page 1

all that would like to watch from the safety of your home. It would be nice to have a ceremony at our Post, but maybe next year. Our annual picnic and dedication of the fantastic Four Chaplains monument by our flagpole is still on hold, but not forgotten. The Sons will be attempting the Pancake Breakfast in September, but more to follow on that from Commander Carten.

Thanks to Scout Troop 613 and Tim Crumbly, we are collecting retired flags in our awesome looking retired flag collection box on the front porch of the Post. This is a great asset to our Post as I receive many calls wondering where a person can leave a flag that needs to be retired correctly. October 24th is a tentative recognition date for Hunter Campbell and Tim Crumbly at our Post, time will tell. Halloween will be very interesting this year to say the least.

Please stay safe and take care until we can meet again.

For God and Country.

Jim Middlekauff

Commander, Post 112

2021 Legion Dues are now being accepted!
Please send your \$38 check to
PO Box 910, Goldenrod, FL 32733
TODAY!

Membership Update—Bob Colbert

I am filling for Vice Commander Bonney as he is out of area. Our renewals were progressing well but have now slowed down. We ended the 2020 membership drive with 131 members renewing. And, so far, we have had 80 members renew their memberships which is 61% of the Post. You can renew ONLINE, or by mail (to the Post). Credit card payments need to be made ONLINE.

Remember that we want everyone to have their card when 2021 starts which is why we start renewals in July. Your 2020 card is valid until December 31, 2020 and your new (2021) card will be valid from the time that you receive it until December 31, 2021.

Are we missing your birthday? We try to list the birthdays of the Post Family members in each issue of the newsletter for the two months it covers. If you do not see your name listed during your birthday month, it means that we have somehow lost (or never had) your birthday and we want to fix that. Please send an email that includes your birth month and day to bcolbert@usa.net so that we can add it. If you'd rather write us a note, just send it to the Post at PO Box 910, Goldenrod, FL 32733-0910 and mark it to the attention of the Adjutant. We want to celebrate everyone's birthday with them!

.....

Notes From the Adjutant's Desk

WOW! What a year! We have so many things that have happened and so many changes to the way that we live that it is hard to image what "normal" is anymore!

We are starting a new membership year, 2021, and we already have 80 members who have paid their 2021 dues. And that is just the beginning!

We will have a new roof on the Post in the next few weeks. Commander Middlekauff is also getting pricing on gutters and possibly new flooring for the main hall.

We have a new "Flag Retirement" box on the "front step" (which is no longer the main entrance) thanks to a Boy Scout Eagle project. We also have a permanent "Four Chaplain's Memorial" by our flagpole, thanks to another Boy Scout Eagle project.

We have been meeting "virtually" during the worst of the epidemic so that the Post is not suffering any loss of progress. We will continue to use Zoom for as long as necessary.

We held a "Memorial Day Service" online so that the Post could continue its tribute to those who have gone before us. If you are on Facebook, you can watch the event as it was broadcast on Facebook live thanks to one of our Auxiliary members.

And, I want to say that most of this would not have happened without the leadership of our Commander, Jim Middlekauff. The Commander has been instrumental in "keeping the wheels turning" at the Post. Thank you, Commander. You will see elsewhere in the newsletter that our Past Commanders nominated him in for "Legionnaire of the Year" at Department and the award was granted!

And, now, back to work! The Commander has expressed a desire to plan a couple of events at the Post if conditions improve and we can resume something like a "normal" existence. And, if conditions don't improve, we will handle them

"virtually." I won't steal his thunder, but we want everyone to participate in future events so "stay tuned" for further details. As you drive by the Post on the weekends, you may see some activity as our Sea Cadets are using the building again. With a lot of luck, the "Breakfast at the Post" may be able to return, too. Watch the sign outside the Post as it will show when we feel safe in resuming these tributes to our Veterans.

If you did not attend the August Auxiliary meeting on Zoom, you missed an awesome presentation by Detective Rebecca Hamilton from the SCSO who spoke about Scent Preservation Kits that are used to help find at-risk individuals who may wander away from home. The Auxiliary is planning additional meetings with speakers and the entire Legion Family is always invited to attend.

Attendance at our ZOOM meetings has been OK, but not GREAT. If we must stay separated, ZOOM is probably the best possible means of sharing information among us in "real time" and serves as a platform for this exchange. We have had such success with using ZOOM that we will continue to "stream" the meetings at the Post EVEN AFTER THINGS ARE BACK TO 'NORMAL.' We have a portion of our membership that do not wish to drive to the Post either because of distance or time of day, and they will not be excluded from the meetings this way.

Just a quick word about ZOOM meetings. All you need to attend is a cell phone! You don't even need a "smart phone" but a "smart phone" would allow you to see everyone. For those who do not have email, you can call into the meetings by calling (312) 626-6799 and entering 862 8807 1778# and then # again. Your phone number will be displayed, and we will admit you to the meeting. Remember, this is a "long distance" call and should not be called from a regular telephone.

I hope to "see" you at the next regular meeting!

ADVERTISING INFORMATION

Would your business like to advertise in our Post newsletter? This newsletter, with distribution via email and USPS to over 200 members and organizations, is now accepting advertising for our monthly newsletters.

Advertising rates per issue are as follows:

Business card size - \$ 6.00 (3 3/4"w x 2 1/4"l)
1/4 page - \$ 10.00 (3 3/4"w x 4 3/4"l)
1/2 page - \$ 18.00 (7 3/4"w x 4 3/4"l or 3 3/4"w x 9 3/4"l)
Full page - \$ 30.00 (7 3/4"w x 9 3/4"l)

If paid in advance for FIVE ISSUES, THE SIXTH ISSUE IS FREE!

Copy MUST be emailed to the editor as a jpg or Publisher file but payment MUST be mailed to the Post's PO Box or hand delivered to the Post by the 15th of the month preceding publication.

Our Happenin' Auxiliary—Nell Colbert

We hope that everyone has been staying healthy and safe during this pandemic.

We had an outstanding speaker for our August meeting, Det. Rebecca Hamilton from the Seminole Sheriff's Office, who talked to us about Scent Preservation Kits, a project coordinated through the Elder Affairs Division of the SO. Everyone learned a lot about how these kits can assist law enforcement when they need to search for someone who has wandered away from their home, whether it be an adult suffering from dementia or an autistic child. We are working to bring in speakers at least once per quarter to talk about programs available in our community that are of interest to our members. ALL Winter Park Legion family members are always invited to attend our meetings whenever we have speakers. If you have an idea for a possible speaker, please send that information to either Marge or Nell and we will work to get the speaker scheduled. With elections right around the corner, we could consider holding a virtual meet the candidates night for some of our local races during our October meeting. Please email Nell or Marge with your thoughts.

Our 2020-2021 Membership Drive has begun and we had a tremendous response before the end of August. We currently have twelve paid members, including our Juniors:

- Sharon Brown
- Aurora Colbert
- Braelyn Colbert
- Nell Colbert
- Victoria Colbert

- Christine Costello
- Mary Doyle
- Staci Klinger
- Cheryl Knapp
- JoAnne Russell
- Debi Shannon
- Madelda Thompson

This puts us at 55% of our goal. Thank you to everyone who has already sent in their dues for 2021. If you haven't sent in your dues for 2021, please mail your check payable to Auxiliary Unit 112 for \$36 to:

Auxiliary Unit 112
PO Box 2246
Goldenrod, FL 32733-2246

Or you can go on-line to the national Auxiliary website and log-in to pay your dues. We would like to reach 100% by the end of September if at all possible.

As you read in the Commander's Minute, the Post is planning to host a streamed 911 ceremony. Like the Memorial Day ceremony, it will be streamed on Facebook Live and also via Zoom. As more information becomes available, we will share it via email.

Our Unit activities slowed over the summer months as we continue to deal with the pandemic. Once schools are open and things have settled down a bit, we'll be looking at again supporting the food pantry at Eastbrook. We need to determine whether it is more beneficial for them to get general food items now or wait until the holidays to do the Thanksgiving specific food items as we have done over the last several years.

The 6th District Auxiliary has provided us with some dates for 2020-2021 as follows:

- 9/12 at Post 63, Winter Garden—6th District meeting
- 12/12 at Post 80, St. Cloud—6th District meeting
- 2/20/21 at Post 286, Pine Castle—6th District meeting
- 3/20/2021 at Post 55, Clermont—District Picnic
- 5/8/2021 at Post 53, Sanford—6th District Constitutional Convention

All members are encouraged to attend these 6th District meetings. The District is considering making Zoom available for members who would like to attend the district meetings, but who still feel uncomfortable attending large gatherings. More information will be shared as it becomes available.

The Department Fall Conference is on the schedule for 11//5-11/8 at the Renaissance Orlando at Sea World. However, no decision has been made yet as to whether it will be held in person or virtually.

Stay safe and wear your mask!

As always, we welcome new Veteran spouses who would like to actively support our military, our youth and our community through our community service projects. To become involved, please call Nell at 321.303.7445.

HOW YOU CAN HELP RESPONDERS FIND THE LOST FAST AND BRING THEM HOME SAFE

BRINGING THE LOST HOME PROJECT

SEMINOLE COUNTY SHERIFF'S OFFICE

WHAT ARE SCENT PRESERVATION KITS® AND HOW DO THEY WORK?

The **Scent Preservation Kit®** is used to collect and preserve a person's unique scent ahead of time and gives responding K-9 Units a head start during the search by providing the trailing dogs with an uncontaminated scent article. **Your scent is as identifiable as your fingerprint to a trained K-9 and can last up to 10 years in our kit.**

The preserved scent isn't touched by other family members, pets, or responders. This means that K-9 Units do not have to go through the time-consuming dismissal process to determine who's scent is actually on the article. They can begin searching immediately and with greater accuracy when every minute counts.

Everything you need to collect and securely store the scent of each family member is right in the box. Simply swipe the included gauze pad under the arms or around the neck area and store the pad in our specially-treated jar. Add the identification information to the label and seal the lid with the supplied tamper-proof tape. Store the scent in the privacy of your home in a place away from high temps or direct sunlight. **If you ever need it, you'll have the best possible location resource to present to emergency responders.**

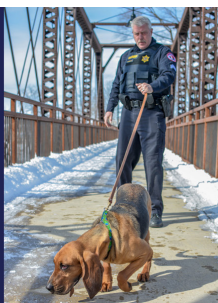

SCENT FACTS

- Your scent is like your fingerprint.
- You can never lose your scent, forget to wear it, or take it off.
- Scent doesn't break or malfunction.
- Scent preservation does not require charging or batteries like a GPS tracker.
- Scent never loses its signal or goes out of range.
- A Scent Kit lasts up to 10 years.

SCENT KITS WORK

"It lets us hit the ground running as soon as we get a report of a missing person."

- Sgt. Cunningham,
Winnebago County Sheriff's Office

In June 2019, Scent Evidence K9 partnered with Alzheimer's Project to pass the **Bringing the Lost Home Project** bill in Florida to increase awareness and improve missing person response. The bill was passed into law by Florida Gov. Ron DeSantis and will serve residents and responders in Seminole, Sumter, and Bay Counties by providing Scent Kits, missing person awareness, specialized K-9 training and missing person response training.

ALZHEIMER'S DISEASE AND WANDERING

For people diagnosed with a memory disorder or family members caring for a loved one with Alzheimer's Disease, the dangers of wandering and getting lost are a major concern. Studies have shown that **6 out of 10 people with Dementia will go missing.**

Florida has the second highest incident of Alzheimer's Disease in the nation – only behind California. There are over 520,000 individuals currently living with Alzheimer's Disease in Florida with that number projected to grow to more than 720,000 by 2025.

AUTISM & WANDERING

According to the Center for Disease Control (CDC), the prevalence of autism in U.S. children increased by 119.4 % from 2000 (1 in 150) to 2010 (1 in 68). **The American Pediatric Association states that almost 50% of these children will go missing at least once before the age of 17.**

Preserving the scent of your children before a wandering event happens, can help responders find them fast and bring them home safely.

Learn More and Order Scent Preservation Kits® at TheScentKit.com

Notes from Our Service Officer

On Friday, officials from the [Bureau of Labor Statistics](#) said the unemployment rate among veterans fell to 7.9 percent last month, based on its monthly employment surveys. That figure translates into about 700,000 veterans looking for work. In April, the first full month of the coronavirus pandemic in the United States, the number was [11.7 percent](#), the highest monthly rate recorded by the agency in at least the last 20 years.

At the beginning of April 2020, as concerns about COVID-19 infections increased and the President declared a national emergency, VA suspended its in-person medical disability examinations for its compensation and pension (C&P) programs. On May 28, 2020, VA resumed in-person C&P exams in locations where it was safe to do so. VA has since expanded these in-person examinations to other locations based upon local COVID-19 risk assessments.

*If you require an in-person C&P exam and live in or near a *resumed* location, a **VA contract medical exam provider will contact you.**

Expansion of Caregiver Program Planned for Fall: VA released its [final rule](#) on revising its regulations for VA's Program of Comprehensive Assistance for Family Caregivers (PCAFC). According to the document, the expansion is set to begin Oct. 1, 2020. Under this rule, PCAFC will be expanded in two phases. The first phase is for caregivers of veterans injured on military duty before May 7, 1975. Veterans injured in service between 1975 and 2001 will have to wait two more years. With this final regulation, PCAFC will be open to veterans with a service-connected disability rating of 70% or higher.

Veteran COVID-19 Viral Testing Guidance for Community Care: Veterans can receive COVID-19 viral tests through VA health care facilities and community providers if they meet the criteria provided by the Centers for Disease Control and Prevention, and local public health department guidance. To be eligible for a community care provider, veterans must either be enrolled in VA health care or must be eligible for VA care. Veterans will not be charged a copayment for COVID-19 viral testing. Testing is available at community health care locations at in-

network urgent care/retail locations, if it is in conjunction with a clinical visit for care at one of the authorized care centers, **in-network community care providers**, with a referral or authorization, or **emergency departments**, if the visit otherwise meets criteria for VA coverage of emergency care services.

VA and the Elizabeth Dole Foundation teamed with CareLinx to provide more than 40,000 hours of non-medical home care respite relief for over 1,600 family caregivers of veterans in California, Florida, and Texas. Caregivers can apply for a qualified health care professional for 24 hours of free respite relief. CareLinx services include mobility, meals, house-keeping, exercise, bathing, toileting, medication reminders, companionship, and transportation.

Rx Refills During the Pandemic

- 1 Online with [MyHealtheVet](#)
- 2 The NEW [Rx Refill Mobile App](#)
- 3 Call your local VA Pharmacy number on the prescription label
- 4 By mail: [VA Refill Form](#)

VA Prepares to Welcome Back Volunteers: VA announced this week plans to gradually and safely reintroduce volunteers to its health care facilities.

Federal employees and military retirees will have more insurance plans to choose from this year, as the Office of Personnel Management announced Aug. 11 that it has selected the Federal Employees Dental and Vision Program insurance carriers that will be available for coverage in 2021. Those eligible for the FEDVIP program will be able to enroll, cancel or change their coverage during the 2021 open enrollment season, which lasts from Nov. 9 to Dec. 14 this year.

The Defense **POW/MIA** Accounting Agency announced two new identifications and two new burial updates:

Two - Marine Corps and Two - Army : Both from the Gilbert Islands.

Eagle Scout Project Helps Our Post

Why I Chose My Eagle Scout Project

The flag represents many things to me like valor, honor, pride, perseverance and justice. So when I was deciding on an Eagle Scout Project, I liked the idea of doing something to honor the flag. Our Troop has had people drop off their old and worn flags for us to properly retire them and many people do not know what to do with their unserviceable flags, so that's how I decided on what I wanted to do for my Eagle Scout Project. I do not think many other organizations appreciate the American Flag more than Veteran Organizations, so I talked to the American Legion and Veterans of Foreign Wars to see if they would be interested in receiving an American Flag drop box. I built three boxes, one for the AL Post 112 and two for the VFW (Posts 4287 and 10139.) The project will provide a needed service for people in the community to drop off flags that need to be retired properly. The section of the U.S. Code that governs the flag states that when a flag is no longer fit to be displayed, it should be destroyed in a dignified manner, preferably by burning.

The drop boxes will be easily accessible so people can drop off their old flags that were once flown with pride, to be retired with dignity.

Tim Crumbly
ScoutsBSA Troop 613

Hunter Campbell, another ScoutsBSA Troop 613 Eagle candidate, chose to honor the Four Chaplains who gave their lives helping to save sailors on the U.S.A.T Dorchester when the ship was hit by a torpedo just after midnight on February 2nd, 1943. Of the 902 servicemen, civilian workers and officers on board, 688 went to an unmarked grave. Today, the Chapel of the Four Chaplains serves the memory of these brave men and carries the message of interfaith cooperation and selfless service to every part of the country. Our Post first began holding Four Chaplain's services on the first weekend in February more about ten years ago under the direction of former Vice Commander, Gerry Dress. The memorial created by Hunter and

his team will be a permanent part of our future Four Chaplains ceremonies and serves to honor Gerry's dedication to the Four Chaplains.

Have YOU Paid Your 2021 Dues Yet?
Please send your \$38 check to

TODAY!

Legionnaire of the Year

Thanks to the efforts of our Past Post Commanders, our current Commander, Jim Midlekauff, was recently recognized by the Department of Florida as its Legionnaire of the Year for 2020. This prestigious award would have been presented during the Department Annual Convention; since the convention was cancelled this year, the award was presented by Past Post Commander Ted Costello in a brief ceremony at our Post home. Congratulations, Jim, and thank you for your years of hard work to make our Post what it is today! Please be sure to congratulate Jim the next time you see him.

Son's of the of the Legion: Jim Carten

I hope everyone is staying safe during these unusual and challenging times. Make sure that when you have a few extra minutes, reach out and do a "Buddy Check" with your Legion friends and family. A quick call to someone you haven't heard from in a while will surely brighten their day and help with that feeling of loneliness and isolation some of us have been experiencing during this crisis.

Your SAL Squadron has been keeping a low profile lately; but, that doesn't mean there aren't ways we can help veterans. Check out the 100 Miles for Hope campaign which will benefit Legion Veterans & Children's Foundation. Between now and Veterans Day, all Legion Family members are asked to either walk, run, cycle, or ride 100 miles. Give or take, it works out to be about 30 minutes a day. After the lockdown and quarantine, who doesn't want to get outside and get some fresh air. It's a great way to exercise and help those who gave so much to defend our Freedom. For more information or to sign up, check out <http://www.legion.org/100miles>

We are anxious to start serving our breakfast again. With the recent approval for opening social quarters again, we hope that we will see you at the Post very soon. Stay tuned for the exact date of the Return of the SAL Pancake Breakfast!

Until then, be safe! For God and Country,

S.A.L. Dues for 2021 are due now!

Please send your check for \$20 to

SAL Squadron 112,

PO Box 910, Goldenrod, FL 32733-0910
