COMMANDER'S MINUTE

Greetings fellow Legionnaires of Post 112:

I hope everyone is doing well. If you need assistance with anything, please do not hesitate to ask for help.

Daylight savings time ended on November 3rd so once again it is getting dark sooner than what we have been used to. You can still attend a meeting via Zoom, but if you wish to have a ride, let us know and we will try to accommodate your desire.

Thank you to the Board of Directors, members, SAL and Auxiliary for the assistance keeping the Post going throughout the year. I appreciate the time and dedication from the 6th District Officers and all the efforts our District and Post, Auxiliary, and SAL Officers continue to make on behalf of the Post family. I will continue to do the best I can for the Good of the Legion and its members as well.

The Flag Retirement project is moving forward and we look forward to it's completion. Our Boy Scouts BSA Troop is doing an Eagle Scout project to complete this. See the article on Scouting at the Post for more information about how we support the Scouting program.

We had our Christmas Dinner at the Perkins Restaurant on University Blvd on 12/13 and everyone had a great time! See the pictures elsewhere in this newsletter.

I hope everyone had a Very Merry Christmas. Best wishes for the New Year as well.

Talk to other Veterans about our Post and what we're doing to support our Veterans, Children and Youth, and the community. The Legion is going strong Nationally as well. Remember : "Anyone who has served honorably in the US Armed Forces since December 7, 1941 is now eligible to join, including Active Duty" so bring them to a meeting and check out our awesome Post.

Until next time, take care and God Bless to all.
For God and Country, Jim Middlekauff
Commander, Post 112

From Ted's Table—Ted Costello

As of this printing of the newsletter, we have 81 (88.67%) paid members for 2025. Although this figure is on track for our 100%, the last 20+ members are the most difficult to get to pay their dues. As your First Vice Commander it is my responsibility to do everything possible to get these members to pay. I still need all members to help me in trying to get new younger members into the post. So I am asking each and every member that is capable to invite at least one person to attend a post meeting so they can see for themselves just what our small post does. I appreciate your efforts.

Ted Costello,
First Vice Commander

**2025 Legion Dues are now DUE!

Americanism—Ted Costello

I came across this Children's Flag Day Poem:

Your Flag and my Flag!
And, oh, how much it holds -
Your land and my land -
Secure within its folds!
Your heart and my heart
Beat quicker at the sight
Sun-kissed and wind-tossed,
Red and blue and white.
The one Flag - the
great flag - the flag for me and you
Glorified all else beside - the red and white and blue!

Your Flag and my Flag!
To every star and stripe
The drums beat as hearts beat
And fifers shrilly pipe!
Your flag and my Flag -
A blessing in the sky
Your hope and my hope -
It never hid a lie!

Notes From the Adjutant's Desk

HAPPY NEW YEAR!!!

We are starting off the new year with some exciting things going on! I really hope that you can be a part of this new year and the fun that will be had.

For openers, the Chaplain has arranged for the Four Chaplain's Ceremony to be held at the First Baptist Church of Winter Park. We will be promoting the event through the WEB sites, Facebook and word of mouth, We could use your help with this! We need you to mention the event to your friends and neighbors. We want to have a good turnout at the church on February 2nd. Check out the Chaplain's article regarding the event.

We had a FANTASTIC Post Family Holiday Dinner at Perkins, this year. We had representation from the Post, Auxiliary and Sons! The optional "gift exchange" was a lot of FUN! From what I heard from the participants, everyone had a good time, and we missed those who couldn't attend. We are thinking of moving next year's Dinner closer to midday so that our members who don't like to drive in the dark will be able to participate. This will be brought up at a future Post General Meeting and we may also run a "poll" on the WEB site but more on this later. Remember – This is YOUR POST! We try to tailor events to meet the needs of the members.

We discovered that there are deceased Post members who are buried at [Pineywood](#) Cemetery by Lake Baldwin. If you know of anyone, please let me know. This year, the Post's contribution to Wreaths Across America specified Pineywood and three of us went out on the 14th of December to help lay wreaths at the veteran's grave sites.

Next year, we would like to be able to lay wreaths specifically on our past member's sites.

Boys State interviews are coming. There is an article about it elsewhere in the newsletter. We will be looking for "judges" to select our four delegates and you could help.

Our Sea Cadets are alive and well. They just participated in the Cyber Patriot activity in mid-December.

Our Scout troops are progressing. There have been a couple more Eagle Scouts and we published some pictures last month.

Memorial Day is also coming, so watch for Post activity then, too.

Remember that our meetings are "hybrid" - that means that you can come to the Post for the meeting, or you can call in or use a computer, laptop, tablet or smartphone to join the meeting. We have been testing the "big screen" so that those at the Post can see everyone that is logging in. If you have a camera on your device, we would be able to see you. I am working on a way for those online to be able to see more than just the Commander during the meeting. It's a work in progress. If you need help with logging in, give me a call or send me an email and we can test out how to do it before the meeting. I don't need to be at the Post to help with your setup so we can do it days in advance.

Finally, since I am writing this before Christmas, Merry Christmas and Happy New Year to all! And I truly hope to see you in the New Year!

Happy New Year!

ADVERTISING INFORMATION

Would your business like to advertise in our Post newsletter? This newsletter, with distribution via email and USPS to over 200 members and organizations, is now accepting advertising for our monthly newsletters.

Advertising rates per issue are as follows:

- 1/4 page - \$ 15.00 (3 3/4"w x 4 3/4"l)
- 1/2 page - \$ 25.00 (7 3/4"w x 4 3/4"l or 3 3/4"w x 9 3/4"l)
- Full page - \$ 40.00 (7 3/4"w x 9 3/4"l)

Copy MUST be emailed to the editor as a jpg or PDF file and payment MUST be mailed to Post 112 at PO Box 910, Goldenrod, FL 32733-0910

and received by the 15th of the month preceding publication.

Our House Building Auxiliary—Nell Colbert

For our Give Ten to Education project, we donated \$250.00 to an Eastbrook class so that they could receive one book each to keep every month throughout the school year. Below is our adopted class with their very first book for this year.

In November, Marge, Debi, and Nell shopped for our Eastbrook Backpack project and our Veterans Holiday food baskets that go to the Lake Baldwin VA.

Marge and Nell also gave out small American Flags and Poppies at Eastbrook's Veteran's Day program. Post Adjutant, Bob, visited with

the Veterans attending the breakfast and the program that followed.

perishable food items for a great Thanksgiving meal.

Tree shopping after which we delivered our three huge Veteran Holiday food baskets to the Lake Baldwin VA that will be given to three Giving Tree families.

Of course we had a great time at our Legion Family Holiday party with Marge, Nell, Debi, Laurel, Ross, Coleen, Victoria, Braelyn, and Brynlee. See the pictures on pages 13 and 14.

We supported Wreaths Across America this year by sponsoring six wreaths for Pineywood Cem-

Notes from Our Service Officer

Reminder for VA Secure Sign In:

VA has issued changes for signing into your VA.gov or My HealtheVet accounts. Currently, there are four ways to sign in to your VA accounts: LOGIN.GOV, ID.ME, My HealtheVet, and DS Logon. Both My HealtheVet and DS Logon will be discontinued for accessing VA accounts. My HealtheVet sign in will be available until Jan. 31, 2025. Veterans, family members, caregivers, and survivors with VA accounts are encouraged to transition how they sign in to access these accounts prior to that date.

We encourage you to create a Login.gov or ID.me account now. If you already have one of these accounts but haven't yet used it, start now so you have time to get used to it before the change. With Login.gov or ID.me, you'll have access to all the same information and services you use today.

Here's what will change for Veterans and beneficiaries like you:

✦ After **January 31, 2025**, you won't be able

to sign in to VA.gov, VA mobile apps, or other VA online services with a **My HealtheVet** user ID and password. After **September 30, 2025**, you won't be able to sign in with a **DS Logon** username and password.

✦ You'll have 2 sign-in account options that meet modern security standards: a **Login.gov** or **ID.me** account. You'll be able to use your account to sign in to VA.gov, VA mobile apps, and any other VA online service to manage your VA benefits and care.

You'll need to use a unique email address and set up multifactor authentication for your account as part of the requirements of both **Login.gov** and **ID.me**.

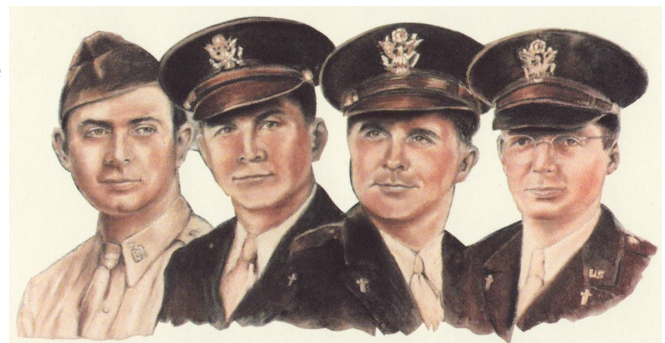

Your **My HealtheVet** health portal isn't going away. You'll just need to sign in to it with a **Login.gov** or **ID.me** account.

The Defense **POW/MIA Accounting Agency** announced 3 identifications and 5 burial updates for service members who have been missing and unaccounted for from World War II and the Korean War.

FOUR CHAPLAIN'S SERVICE

The Winter Park Memorial Post 112 is conducting a Four Chaplain's service, and we are inviting everyone to attend. The service is being held at:

**First Baptist Church of Winter Park,
1021 N. New York Avenue,
Winter Park Florida 32789.
The date is February 2, 2025, 2:00 PM.**

Our goal is to have a Chaplain from other Posts, Units, and the Department, to assist during this ceremony as well as Sea Cadets. Please attend so that we can honor God and the sacrifice of the Four Chaplains.

The Chaplain's Prayers : Billy Dover

As we begin a NEW Year let us not forget about the ones we lost this past year. Whether it was a family member or a good friend, we must keep going on and one day we will also deal with that fate. We know that Jesus is God's grace who came to earth and was explained [in Isaiah](#). The Old Testament, explains the New Testament events before they became reality. In other words history was written by the prophet Isaiah before it happened.

Isaiah 9:6-7 To us a child is born to us a son is given, and the government shall be upon his shoulder, and his name shall be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace. Of the increase of his government and of peace, there will be no end. On the throne of David and over his kingdom, to establish it and to uphold it with justice and with righteousness from this time forth and forevermore. The zeal of the Lord of host will do this.

Isaiah later states that Jesus is a branch off of King David's family. He explains that the Spirit of the Lord yield the Spirit of wisdom and understanding and knowledge. Ultimately the Lord is in charge and he will guide you by the Holy Spirit in all things.

In Isaiah 11: 1-10 1 Out of the stump of David's family will grow a shoot, yes a new Branch bearing fruit from the old root. 2 And the Spirit of the Lord will rest on him, the Spirit of wisdom and understanding, the Spirit of Counsel and might, the Spirit of knowledge and the fear of the Lord. 3 He will delight in obeying the Lord, He will not judge by appearance nor make a decision based on hearsay.

In this new year let us look back at the history of not only mankind by our personal history and where God is leading us. My prayer is that each of you allow God to lead you into the new year, Every day we wake up we need to thank God for another day and always know there is someone else worse off than you. God has kept us alive for a purpose so find out what your Purpose is and do it. It may not be anything else but words of encouragement to someone near you or a family member.

Let's Pray:

Dear Lord thank you for allowing me to see a new year and allow the Holy Spirit to guide me to complete your purpose for my life. We now lift those of our members and families who may be dealing with health issues including mental issues of loneliness, guilt, or deciding what you would have them do.

God, please protect our leaders both Federal and state as well as the leaders of our Post and Department. Please be with us when we do our Four Chaplain's ceremony that we may honor you during the service.

Protect our service members and first responders as well as their families and keep them safe from all harm. This we ask in the name of the Father, Son and Holy Spirit. Amen.

If you know someone who is feeling down or depressed let them know they can call 988 for help.

Son's of the of the Legion: Jim Carten

Happy New Year! I hope all had restful and joyous holidays. As we dive into 2025, let us hit two items with maximum effort:

Membership - my personal goal is to have our squadron at 100% before June. We have met all of our membership goals so far. We can all pay our dues on line, bring them to the next in-person meeting, or mail it to the

Post. This year's dues did not go up so they are still \$20. We do not have to wait until the last minute. Also, reach out to your friends and colleagues and see if they would like to become part of one of our nation's greatest patriotic and service organizations. New blood will bring new possibilities.

Time is precious for all of us, but time spent in-service to our

veterans is priceless. We need to give back to them for all that they gave to and for us - freedom and democracy. Please join me.

For God and Country,
Commander Jimbo

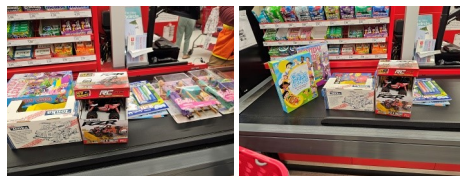

Post 112 GIVING TREE PROJECT

Every year, our Post Family supports the Lake Baldwin VA Giving Tree Program by shopping for a Veteran family in need of some additional help at Christmas time so their family can have a few gifts under their Christmas tree on Christmas morning.

This year, Legion members Jim, Bob and Auxiliary members Marge, and Nell shopped for a family of four—a Mom and Dad and their two older teenage daughters. From jeans, jackets, and blouses to purses, go-go boots, and a stereo, our Christmas elves met at Target on December 3rd to shop for our adopted family.

As usual, the guys shopped for

the Dad, while the Auxiliary members shopped for the Mom and their daughters. It was soon discovered that Target did not have go-go boots, nor did they have small stereos in the store, so while Bob paid for the order, Jim raced to Walmart to find what we were missing. Success on the stereo but for the go-go boots, not so much!

While we were Giving Tree shopping, we also shopped for the toys for the 6th District Legion Family toy drive.

along with the three traditional Auxiliary Holiday Veteran food

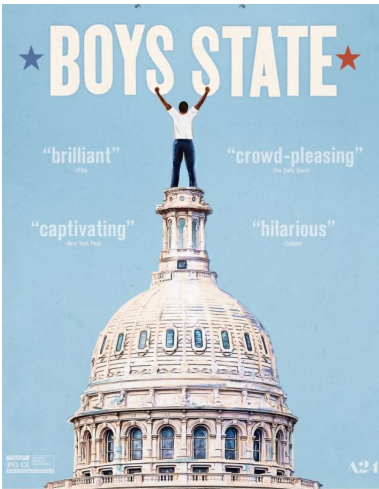

baskets. The staff at the VA were very appreciative of our donations and both the Legion and the Auxiliary have since received Thank-You letters from the VA for our donations.

We met at the Lake Baldwin VA to deliver our Giving Tree donation

Boys State—Bob Colbert

We are off and running! We should have at least four candidates from Winter Park High School, three candidates from Lake Howell High School, three candidates from Trinity Prel and one candidate from Bishop Moore High School.

The school has the candidate criteria and will send us the names. We will do a “pre-interview” ZOOM call with the candidate and a parent to be sure that the parent understands what Boys State is and is comfortable with their son going to Tallahassee for a week. They also have a chance to ask questions about the event and the process at that time. It is important that the parent understands what is happening to ensure that the selected delegates are able to attend and that there are no family conflicts with the timing. Boys State is a non-stop activity from the time that they arrive in Tallahassee until they leave.

After the “pre-interview,” we will hold the actual competition at the Post on February 22nd. That is when the candidates will be interviewed by members of the Post. We will select four delegates and three alternates to actually attend Boys State. The alternates need to complete the entire registration just like the delegates as we often have our alternates chosen by the Department of Florida American Legion to fill in slots of other Posts that were not able to find delegates. Each Post pays in January for the number of delegates that they want to send but often Posts are unable to fill all of their slots. That is where the alternates come in.

Once the selections are made, the youth have a list of things that must be done. Permission slips, medical releases and other “technical” stuff plus the information about each of the delegates must be submitted to Boys State. There are scholarships available to delegates for college and other “perks” that will be available.

There is no cost to the delegate or alternate as the American Legion Post that sponsors them has already paid for them to attend. The delegate or alternat packet will have all of the information as to what to bring with you and what to expect.

The next step after completing registration is the Orientation session. This is done on a Saturday morning and lasts a couple of hours. The delegates from the Orlando metro area all gather to learn more about the event as well as when the bus will be picking them up and the time and date of departure. All delegates and alternates **MUST ATTEND** the orientation because this also ensures that their names are on the list. This orientation is usually held in April or May and the date will have been set by the time that we make our selection. Then it is off to Tallahassee in June!

The Post does ask that each of our delegates come back to the Post for our August meeting to tell us about their experiences. They will be able to meet the Girls State delegates who will also be telling the Post and the Auxiliary about their experiences,

We would like to have at least 5 “judges” at the interviews on February 22nd. If you have a couple of hours that afternoon, we would appreciate your help. Scoring sheets will be provided and will be tallied so that the candidates know who the delegates and alternates are. They will receive their registration packets, and you can help make these selections.

Let the Adjutant know if you are available to help us select our delegates and alternates on February 22nd. If you have any questions, please contact me by phone, text or email.

Cure Diabetes License Plate

Good afternoon,

I hope you are doing well.

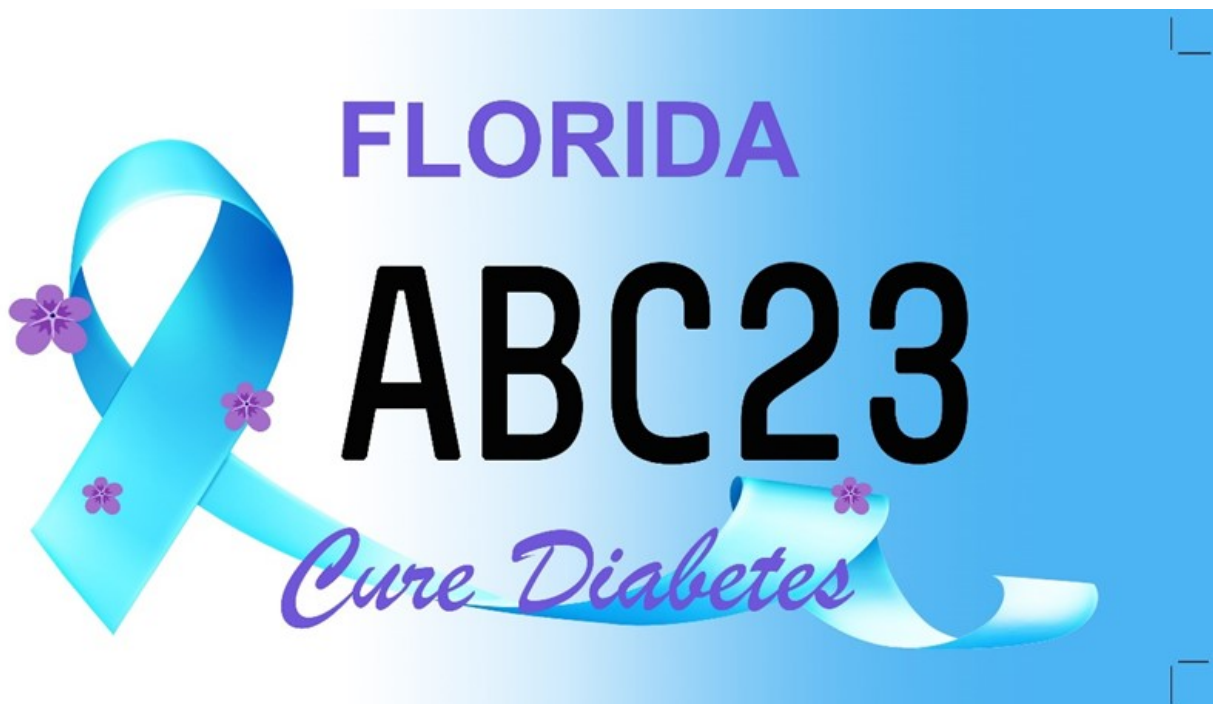

I attended Florida Boys State in 2021 and had my bill unanimously passed in the mock House and Senate. After 3 years of working with legislators, the bill was signed into Florida law this summer.

The purpose of my bill is to introduce a Cure Diabetes specialty license plate, with all of the money going strictly to cure research for Type 1 diabetes. The money goes to the Diabetes Research Institute (at the Miller School of Medicine at the University of Miami), the University of Florida Diabetes Institute, and Breakthrough T1D (formerly JDRF).

Now, we need 3,000 presale vouchers for the license plate to go into production. They can easily be purchased online for \$33 by anyone with a vehicle titled in their name in Florida. I attached an image of the plate below and a FAQ document containing the link to purchase vouchers (<https://county-taxes.net/fl-escambia/vouchers>).

As a Boys State alum, I would greatly appreciate any help getting this information distributed to as many people as possible. Thank you for giving me the confidence to make a difference with this legislation.

Best,
George Stedronsky IV
407-463-2444

Frequently Asked Questions – PRE-SALE CURE DIABETES LICENSE PLATE VOUCHERS as of October 2024

What is a pre-sale license plate voucher?

The State of Florida legislature set for a minimum of 3,000 pre-sale vouchers to be sold before a specialty license plate can be submitted to the Florida Department of Highway Safety and Motor Vehicles for production.

What is the cost of a pre-sale Cure Diabetes license plate voucher?

The cost of the pre-sale Cure Diabetes license plate voucher is \$33. If paying with a credit or debit card, a convenience fee will apply. The Tax Collector does not keep any portion of the convenience fee. Paying by eCheck is free.

Where does the money for the Cure Diabetes license plates go?

Of the \$33 charge for the Cure Diabetes license plate, \$25 is to be distributed equally among the following organizations to be used for research for a cure for Type 1 Diabetes:

the Diabetes Research Institute Foundation, which supports the Diabetes Research Institute at the Miller School of Medicine at the University of Miami;

JDRF International Incorporated, which supports the JDRF Northern Florida Chapter (JDRF is now known as Breakthrough T1D); and

the University of Florida Foundation, Inc., which supports the University of Florida Diabetes Institute.

The Florida Department of Highway Safety and Motor Vehicles provides a Monthly Revenue Collections Report with additional information.

How can I purchase a pre-sale Cure Diabetes license plate voucher?

The pre-sale Cure Diabetes license plate vouchers should be available at all Florida tax collectors' offices. However, the counties vary on how user-friendly they are for ordering vouchers, so it may be easier to purchase on-line at <https://county-taxes.net/fl-escambia/vouchers>. Scroll down to the Cure Diabetes license plate, and follow the prompts. You will be asked for the Florida license plate number for your vehicle. You do not need to reside in Escambia County to purchase or redeem the voucher; the voucher may be redeemed in any Florida county when the plate is in production. It is recommended that you save a copy of your payment confirmation for the purchase of your voucher.

PLEASE DO NOT USE THIRD-PARTY VENDORS AS THERE HAS BEEN ON-LINE FRAUD.

Will I receive a document called a “pre-sale Cure Diabetes license plate voucher”?

No. The pre-sale Cure Diabetes license plate voucher will be attached to your driver record in the State of Florida’s registration system. You will be able to redeem it once the Cure Diabetes license plates are produced and you request the Cure Diabetes license plate at time of renewal or as an on-demand license plate replacement. It is recommended that you save a copy of your payment confirmation for the purchase of your voucher.

May I purchase a pre-sale Cure Diabetes license plate voucher for someone else?

Yes. The recipient must have a vehicle titled in their name in Florida. If you are using the website provided above, enter the recipient’s name and license plate number when prompted. If you purchase a voucher for someone who does not have a vehicle registered to them in Florida, you will not be able to get a refund for this purchase.

I’ve bought a pre-sale Cure Diabetes license plate voucher. Should I renew my registration?

Yes. Renew your registration and wait for the new Cure Diabetes license plate to become available.

If you purchase a pre-sale Cure Diabetes license plate voucher, it may be a year or more before the Cure Diabetes license plate meets its voucher goal and is manufactured. Don’t wait to renew your registration during this time. Once manufactured, you will receive a letter from the Florida Department of Highway Safety and Motor Vehicles with instructions on how to exchange your current license plate for your newly approved Cure Diabetes license plate.

What if a specialty license plate doesn’t meet the pre-sale requirement?

If a specialty license plate fails to meet the minimum presale voucher requirements, you may apply the presale voucher toward a different specialty license plate. You may also [apply for a refund](#) for the specialty license plate fee only. Pre-sale vouchers are non-transferrable.

What is the yearly cost for a Cure Diabetes license plate?

Once you have switched to the Cure Diabetes license plate, the cost will be the annual renewal fee plus the specialty plate fee will be \$33. If renewing on-line, there may be a convenience fee charge.

Are there vehicles that cannot use a specialty plate?

Yes. The following vehicles cannot obtain a specialty plate: Commercial trucks required to have front and rear plates, truck tractors, government vehicles, and commercial trucks with a gross vehicle weight of 26,001 pounds or greater. Motorcycles and Handicap plates cannot have the specialty plate incorporated.

How can I monitor the progress of a particular specialty plate?

Sales data may be viewed at the [Florida Highway Safety and Motor Vehicles website](#).

ORATORICAL CONTEST—Billy Dover

Post 112 is conducting an Oratorical Contest on **Tuesday, 14JAN25, at 1900 hours.**

At this time, we have one person interested, and we have spoken.

My desire is to have as many people present or on a Zoom call during this event. I will have our Adjutant confirm with an email to all members once everything is completed.

Holiday Party FUN!

It may have been Friday the Thirteenth, but you couldn't tell with all the smiling faces, laughter, and great conversations going on throughout the room. We gathered at 7pm for our traditional Legion Family Holiday party and we were treated to great service by a young man, a former Boys State delegate who is working his way through college at Perkins. We had some very young Juniors and SAL members along with some prospective Juniors and Auxiliary member who are the family of one of our newest Legion members.

Our traditional but optional gift exchange was a hit, as usual.

We missed Commander Middlekauff, who was under the weather. Billy, Bob, and Nell MC'd the dinner in Jim's absence.

It was great to get to know the Legion's newest members, Jonathan Hester, and his son, also Jonathan, and the younger Hester's wife and two young daughters.

The Auxiliary members present also got to also get to know Coleen Warren-Tormey, who has been a member since 2023. We look forward to seeing Coleen at our Zoom meetings in the future.

Please enjoy all the pictures from the evening.

This is a group shot around the table. We also had members sitting in some of the booths.

Not pictured—our photographer and newsletter editor, Nell.

Holiday Party FUN!

The Auxiliary introduced their Auxiliary Emergency Fund house and explained that monies collected are used to support the Department of Florida Emergency and Disaster Funds. Please support our efforts and drop in your donation whenever you're at the Post.

And in keeping with the Auxiliary tradition of having a birthday cake at our Legion meetings in the months when one of the military service branches have a birthday, the Auxiliary provided a huge birthday cake to celebrate the US Marine Corps and the US Space Force. Everyone enjoyed a BIG piece of birthday cake.

Happy Birthday to YOU!

*Happy Birthday to YOU!
Happy Birthday to you!
Happy Birthday dear _____
