COMMANDER TALKS

A membership survey was sent to members. Please respond so we know what you would like to participate in. Could you make phone calls? Visit a member in need? Let us know! **Contact me directly or via the Post's phone and email.**

A group of our members have been enjoying breakfast on Tuesdays except on the day of our meeting. They go to different restaurants and invite anyone **who wants to join them to contact me** for further information. They also go to dinner before the Tuesday Post meeting. So go to dinner and then come to the meeting!

I am so proud of your Executive Committee Members. They have worked diligently on your behalf to provide our Post with a totally revised Constitution and By-laws document. This document has been emailed and/or snail mailed to you. The October meeting was the first meeting of the procedure to address the document and voted to approve it. A repeat of the same will be at the November meeting. Then at the January meeting the final vote will be taken.

In the meantime, the Post has been active. The contractors for the Post repairs have been selected with work beginning this month. The American Heritage Girls cleaned the Post Room for their Day of Service to the military and were given a lunch, a flag, and an ornament. The Scouts performed an honorable ceremony to retire and dispose of Flags. The Post hosted with lunch after the ceremony. About 30 people attended along with the Scouts and the Sea Cadets.

On October 19th from 9-Noon, the Post hosted a table at Lake Baldwin VA Medical Center. Members of the Post, our Auxiliary, and the Daughters of the American Revolution gave out Information and a comfort cart of goodies strolled through the clinics. Plan a day at Lake Baldwin and stop by to see your Post members.

Much more is to come. Check out the SAVE-the-DATES and plan to join the Post's fun and active events. Need a ride?? **Contact me** and we'll arrange a ride for you.

Do you go to the VA for medical care? Do you know if you have other veteran benefits such as burial, dental insurance, or perhaps you were exposed to toxic substances during your service? Find out by coming to the Post on Saturday, October 31, Halloween, 10 – 3pm and visit with a Veteran Services Officer. You just might find something for you!! **Contact me if you are coming** so we can prepare refreshments.

From Ted's Table—Ted Costello

Membership as of today is 65 paid members at 65.9%. Let us all try to get new members so we can continue to make this post greater. The next time you are out somewhere, look around and see any veterans wearing ball caps, etc. and ask them if they belong to a Veterans organization, if not invite them to one of our meetings and let them see for themselves what we do, it works! In most instances when asked why they don't belong to a Veterans organization, they usually reply "because no one asked me". Thank you

2ND VICE'S WORKSHOP – JIM MIDDLEKAUFF

Our local American Heritage Girls Troop came to our Post to help with some interior clean-up. Above are a few pictures from their Day of Service.

Coming in the future, we have contractors coming to sand, seal, and repaint all the hand rails at the Post and do some plumbing work around our kitchen. We are getting a donated marble slab to cover the top of our old BBQ fire pit so that we may have some fun outdoor events on our patio. We are also going to acquire some additional picnic tables for the patio.

THE AMERICAN LEGION

Notes From the Adjutant's Desk

Greetings to everyone! There are several events coming up! It has been a long time since I could say that.

The very next event is the visit from the Orange County Veteran's Service Officer. He will be at the Post from 10am until 3pm on Saturday, October 31st and there will be coffee, donuts, and finger sandwiches, too. Why not stop by and visit with us? You may also be able to get updates or start a VA claim. He will have everything there to start a new claim or update your current claim.

You should also see elsewhere in the newsletter where we will be participating in the Winter Park Christmas Parade on December 6th. The parade is going to be something special. The Post has not participated in a parade since the Goldenrod Christmas Parade stopped years ago.

Our annual Post Family Holiday event will be held on Dec 19th at Perkins on University Blvd. from 2 to 5pm, right after Wreaths Across America. This year the timing of our Holiday event changed to give those who cannot drive in the dark a chance to participate. As usual, we will have an optional gift exchange (please \$20 limit.) Do not forget to send me an email or call the Post at (407) 671-6404 and leave your name and the number of people coming with you. We must give the restaurant the number of people who are coming by December 15th.

Membership is covered by Ted in his 1st Vice article on Page 2, but did you know that you can renew online? Go to <http://legion.org> and click on RENEW. It will walk you through the process. If you are like some of us, you also pay another family member's dues. You can renew that membership at the same time. You will need your membership number to renew online. If you need that, you can contact me and I will get it for you. You can email me or call the Post and leave a message and I will call you back.

There are a lot of things beginning to happen at the Post. We really hope to see you at as many of them as you can make. One event is Wreaths Across America on December 19th where the Post helps distribute wreaths to the headstones of Veterans at the Piney Wood Cemetery, for one more example.

As we get more and younger members joining the Post, and participating, these activities will continue to grow. (I can say younger as an 83-year-old)

Until next issue, Happy Thanksgiving. Merry Christmas, and Happy New Year.

Unit 112 M*A*S*H Notes

We welcome all Veteran spouses along with the parents, siblings, grandparents and grandchildren of Veterans who would like to actively support our military, our youth, and our community through our community service projects. To become involved, please call Nell at 321.303.7445.

to see what we've been doing.

September and October have been busy for our mighty Auxiliary and the next couple of months will be even busier!

- Information about our Americanism Essay Contest has been sent to the elementary schools who always submit entries.
- In September, we presented another National Good Deed Award to an Eagle Scout in Troop 4613.
- We assisted with the Flag Retirement ceremony at the Post on 9/29.
- Two of our members are runners who participate in various races to raise funds for local charities like Tunnels to Towers.
- Marge, Mercedes, Bob, and Nell shopped for our Adopt-A-Teacher and our Tushies and Toes projects that were delivered to Eastbrook in October.
- Nell, Marge, and Bob presented our annual Scholastic Achievement check to our Eastbrook teacher who uses the program for her 1st grade class.
- Nell and Bob attended a recent Sunrise Rotary Club meeting where Nell accepted the club's grant that supports our Girls State and school medals program.
- Our membership drive is going well – as this article is written, we are just under 81% of our goal.
- We have made some housekeeping changes to our Constitution and ByLaws to incorporate the recent changes to Auxiliary membership eligibility made by the American Legion during their August national convention. Because of this change, we welcomed Bob Colbert as our newest member who was eligible due to his father's military service.
- We are looking at holding a fundraiser with Texas Roadhouse in 2027 to help us fund our programs.
- We continue to celebrate the birthdays of our military branches by serving birthday cakes at our Post meetings in the months in which they appear.
- We will have our usual table at Eastbrook's Veterans Day breakfast and program, and we will be shopping for and delivering our donation of food bags for Eastbrook's Friday backpack program.
- We will be shopping for our Veteran Holiday gift baskets for the Lake Baldwin Giving Tree families in early November along with helping the Post shop for their Giving Tree families.
- Coming in January and February, we will be judging the Americanism Essays we receive along with interviewing candidates for Girls State.

SONS OF THE AMERICAN LEGION — JIM CARTEN

As we navigate through the fall, it is time to reaffirm our commitment to our veterans and our community by securing our SAL membership renewals. Our strength as a squadron depends entirely on the dedication of our members, and every single renewal ensures we have the resources and manpower to support the American Legion Family. If you have not yet renewed your dues for the upcoming year, please do so as soon as possible. Keeping your membership active is the easiest way to show your continued devotion to mutual helpfulness, community service, and honoring the legacy of those who served. You can complete your renewal quickly and securely by logging into your account online.

Beyond maintaining our numbers, our mission demands that we remain equipped to support the mental and emotional well-being of our fellow brothers-in-arms and veterans. This month, we are emphasizing the importance of the **Be the One** suicide prevention initiative. This critical program empowers all members of the Legion Family to move beyond passive awareness and take direct, meaningful action to save lives. The American Legion provides specialized training designed to help everyday citizens recognize the warning signs of a mental health crisis and step up to be the one who listens, connects, and intervenes when a veteran is in need.

We strongly encourage every member of Squadron 112 to take part in this vital training opportunity. The program is entirely free and structured to fit into your schedule, providing you with the essential tools, communication strategies, and resources needed to make a real difference. By participating, you aren't just completing a course; you are becoming a literal lifeline for a veteran who may be fighting a silent battle. Please visit the official [American Legion Be the One Page](#) to access training, find upcoming webinars, and discover how you can share these life-saving practices within your local neighborhood.

Let's lead by example this season by achieving 100% renewal compliance and ensuring our squadron is fully trained to protect our veteran community. Your continued membership allows us to keep our local programs running, while the **Be the One** training ensures we are fulfilling our highest duty of care. Thank you for your unwavering service, your patriotism, and your dedication to the Sons of the American Legion. Let's work together to make sure no veteran is left behind.

CHAPLAIN'S THOUGHTS – BILLY DOVER

As we start the fall and holiday season, we have many reasons to be thankful. Let us look at a few things to be thankful for:

- We live in a country that honors God and was established for freedom of religion because of the persecution that occurred in Europe.
- We live in a country where we can vote for our elected leaders instead of being forced into a non-democratic government.
- Thanksgiving is a celebration of the trials and tribulations of the first settlers of this great country.
- Let us remember December 7 and those who lost their lives in the attack on Pearl Harbor.
- Christmas is a celebration of Christ coming to earth to save us from our sins.
- Let us celebrate January 1 as a new beginning to a New Year and work toward a greater good for all of mankind.

Psalm 117:1 Unless the LORD builds the house, they labor in vain who built it; Unless the LORD guards the city, the watchman stays awake in vain.

The security is found in the LORD and not in the followers. God remains at the center of your efforts; whether we lead in the military, in construction, or sit behind a desk, we must allow God to lead us. Leaders should never put their emotional health in the hands of someone else. Spiritual and emotional health requires the truth. Trouble arises when leaders depend on people to do what only God can do. We must wait on God's timing and not our own.

Let us pray:

Our most gracious and Heavenly Father, as we lift up our hearts and thoughts and prayers, we ask you for protection of our lives and this great nation we live in. We know that you are in control of all things, from each individual to our local, state, and national government leaders. We pray for guidance in helping our fellow veterans and their families. We ask for protection of all our service personnel, first responders, and their families. As we enter this fall season, let us see your beauty in nature and let us remember why we celebrate or remember each event. May we give all the praise and glory to YOU in all things small and large and know that we are nothing without your grace. This we ask in the name of the Father, Son, and Holy Spirit. AMEN.

The FOUR Chaplain's Ceremony will be 31 JAN 27 at the First Baptist Church Winter Park at 1400 hours. More information will be found on the Post website and in the next newsletter.

THE AMERICAN LEGION

RESOURCE OFFICER — JIM MIDDLEKAUFF

COLA Set at 3.6 Percent

The Social Security Administration announced on October 14 that the cost-of-living adjustment (COLA) for 2027 will be 3.6 percent, the largest increase since 2023 and well above the 2.8 percent adjustment beneficiaries received this year. The figure is drawn from the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W), averaged across July, August, and September, and it sets the annual increase for military retired pay, Survivor Benefit Plan annuities, and Social Security benefits.

For military retirees the increase is automatic under 10 U.S.C. 1401a. It takes effect December 1 and first appears in the retired pay deposit at the start of January, with no application required. Retirees under the REDUX plan who accepted the Career Status Bonus receive one percentage point less, or 2.6 percent, and members who retired during 2026 receive a prorated first-year adjustment. VA disability compensation and Dependency and Indemnity Compensation work differently: they do not rise without an act of Congress. The Veterans' Compensation Cost-of-Living Adjustment Act of 2026, H.R. 8552 introduced by Rep. Morgan Luttrell (R-TX) and Rep. Morgan McGarvey (D-KY), and its Senate companion S. 4487 introduced by Sen. Jerry Moran (R-KS), would apply the same 3.6 percent effective December 1, 2026. The House bill was forwarded by the Subcommittee on Disability Assistance and Memorial Affairs on June 30, and the Senate bill awaits action in the Senate Veterans' Affairs Committee.

VA Closes Record 3.11 Million Claims

The Department of Veterans Affairs announced on October 15 that the Veterans Benefits Administration (VBA) processed 3,111,399 disability compensation claims in fiscal year 2026, which closed September 30. The total surpasses the prior record of 3,001,734 claims set in fiscal year 2025, and marks the second consecutive year the department has completed more than 3 million claims.

VA reports that the claims backlog has fallen by more than 70 percent and average processing time by 46 percent since January 2025, with the average decision taking 75.6 days in September. Claims processing accuracy stands at 94 percent, the highest rate in two years. The department grants more than 60 percent of claims submitted, and about 3 percent of VBA decisions are appealed to the Board of Veterans' Appeals.

THE AMERICAN LEGION

AMERICANISM — TED COSTELLO

Voting is part of the Americanism program. The American Legion encourages all Americans to register and to vote in all elections. One important thing to remember is that the American Legion is a nonpartisan organization that does not support, oppose or provide aid to any candidate for public office or to any political party. Get out and vote at our upcoming election.

POW/MIA Identifications

As a passing note, a record 250 Identifications have been made in Fiscal Year 2026. This exceeds the previous record of 231 that the Defense POW/MIA Accounting Agency made in FY 2025.

BOYS STATE — DAVID SHIELDS

Last February, the Post held its Boy's State Delegate interviews. We had four delegates and three alternates last year and we will have the same number this year. All of last year's alternates were able to attend as a delegate for other Posts who were short of delegates. The Post recruits from Winter Park High School, Lake Howell High School, Trinity Prep and Lake Highland Prep. Home-schooled students may also apply if they otherwise meet the program requirements. If you have a son or grandson in his junior year this year, he can also apply to be a candidate by letting the Post know that he is interested. We can send four delegates and up to three alternates if they pass the interviews. A candidate can only apply to ONE Post, however. Boy's State will be from June 20 to June 26 this year.

THE AMERICAN LEGION

SCOUTS BSA — BOB COLBERT

After months of trying to find a suitable time, we finally were able to "christen" our Flag Retirement area. This was Dylan Lester's Eagle Project that was completed in June of 2025. Circumstances, fire bans and school prevented the first formal use, but we were finally able to bring it all together on September 26th. Dylan was the Master of Ceremonies at the event even though he aged out of the troop. Members of both Troops 613 and 4613 participated as well as some of our Naval Sea Cadet Battalion.

Included below are some photos of the program. The Scouts, Sea Cadets and the Post learned quite a bit. For one thing, you can only burn cotton flags. The flags that were made of nylon or other synthetics cannot be burned. This did cut down on the number of flags that we had available to retire.

We will be planning future retirements now that we have the experience behind us. Dates will be announced in the newsletter and on the Post's WEB site.

SAVE THE DATE
